

Title: His Honeyed Heart For You

Bonus Track: Black Cat

Scenario:

As the two lounge in the living room, a person rings the door. Tooru looks on as she goes to the entryway to see who it was...

(She comes back holding a box)

“Oh, it was the courier. Did you buy something?”

(She smiles and nods)

“I see. So you ordered yesterday and it arrived today. How convenient.

<He looks back at his smartphone>

“Hmmm? What am I looking at?”

“Didn’t we go to the cat cafe yesterday?”

“I was looking at the pictures we took of the cats.”

“They were really cute...”

“I like their small, triangular ears...fluttering tails and their fluffy fur...”

“Not to mention their squishy paws...”

<He sighs in awe as he swipes to the next photo>

“Cute cats are good but even this grumpy one also hits different...”

“These prowling eyes are cool and cute at the same time.”

“Oh yeah, I just remembered. You also have a cat at your parent’s house, right?”

“——eh?”

“What’s wrong? Why the pouty face?”

(She takes out the contents of the box)

“A red collar with bell...”

“Is this a gift for your parent’s cat?”

“But even so...doesn’t it look kinda big for a cat? Seems like its’s for big dogs...”

<He takes a look at another item from the box>

“And this black thing..., a camisole? Ah, no...lingerie?”

(She blushes and explains)

“Ahhh...this kind of thing is called a babydoll? I see...yeah, it’s cute and frilly.”

“By the way...was it okay for me to see these things?”

“Like this black lace T-back shorts...”

(She panics and tries to put them back inside the box)

“I mean...I don’t mind...”

“It’s nice and very...erotic...”

“And these are...”

“Black cat-ears headband...and a bushy tail...”

“Oh, I get it now...that’s it.”

“I know what this is...this is an adult cosplay set, isn’t it?”

(She gets embarrassed and turns around)

“Heh....”

(She asks)

“No, of course not. I like it.”

“I was just honestly surprised that you were interested in this.”

(She retorts)

“Because of me?”

“Because I haven’t stopped obsessing about cats ever since I’ve been to the cat cafe?”

(Her cheeks puff up)

“You wanted me pay attention to you just as much?”

<He sighs while covering his face with both hands>

“Just how... cute can my girlfriend be?!”

“This is amazing. I’m so happy.”

“I mean, there’s no man who wouldn’t be happy if they heard these words.”

<His eyes glint suddenly>

“Hmm? Wait a minute, can I see the tail again?”

“It’s black and fluffy...but right here is a round metal tip...”

“This is...isn’t this an anal plug?!”

(She innocently nods and asks)

“Don’t ask me how to attach this...”

“Are you telling me you bought this without knowing what it was?”

“I see...”

“Ahh——I think this is still too early for you. Yeah.”

(She looks at the cosplay set and suggests an idea)

“What? I should try the cosplay set myself?”

“No, that’s a bad idea. Let’s refrain from thinking about bad things.”

“Remember, you bought this for yourself in the first place.”

“If an old guy like me comes out wearing something like this, the police will——”

“No, I won’t do it even if you look at me with those cute kitten eyes...”

(She shows him a sad looking face)

“W—well...if it’s just for a second, I guess...”

<He wavers and tries to convince himself>

“I’m a guy who can do anything...I...can do...anything...”

<He lets a frustrated sigh>

“Hey! Wait——”

“Don’t come here holding that tail!”

“I’m no good, I don’t have that kind of hobby...stop it, no!”

(She picks up the lace)

“That babydoll too, no!”

“Don’t give me that ‘if the tail is a no, then the babydoll should be OK’ line!”

“And if I did try to wear it, it wouldn’t fit anyway! That flimsy thing will get ruined!”

“Compared to the tail and the babydoll, I might consider the collar or the cat ears...if I’ll try it on separately...”

<He reluctantly wears the collar>

“I—I’ve put it on...”

(She smiles and compliments him)

“Huh?...no, it doesn’t look good.”

“The combination of an old guy and a cat costume is nothing more than an abomination from hell.”

“And yeah, there’s no need to hide your laughter, just do it openly already, you’re obviously shaking over there. I’m totally fine with it.”

(She laughs out loud)

<He sighs once more>

“So, can I take this off now?”

(She puts both her hands together)

“Eh?” Do something cat-like and say meow?”

“A cat pose?”

“Like a beckoning cat?”

<He motions a paw>

“M—meow...”

“You don’t have to laugh that much...”

“Stop saying I’m cute...”

“If it’s really cute, then all the old men in the world would gladly do it——with cat ears too.”

(She asks him again)

“Huh? Do it one more time?!”

“This time, end my sentences with ‘meow’, you say?”

“No, I won’t do it anymore.”

“You’ll just laugh at——”

(She looks sad again)

“Fine, I’ll do...I’ll do it.”

“Stop looking so glum.”

“Haaaaa...speak like a cat, huh...”

“Like a cat...let’s see...”

“Meow...this kind of thing is embarrassing meow?”

<He crumbles in shame>

“Can you please let me off now...”

(She thanks and hugs him)

“Eh? Really?”

“If I made you happy then it was all worth it...ha..ha...”

“Hmmm...alright, let’s start all over again.”

“Now, it’s your turn.”

“I did it first so...be my guest and wear these things.”

“Ah, you’ll change clothes here, right?”

“Then I’ll go get some drinks in the kitchen while you’re busy changing.”

<He leaves the room>

“Also, you don’t have to wear the tail, okay?”

<He comes back after a few minutes>

“Are you done? Is it okay to get in now?”

(She opens the door and gives way)

“Ouch, this is hot. I’ll take a good look at you once I put these down.”

“Wait for me...”

<He puts the mugs on the table>

“There you go...”

“Now let me see what kind of cat you’ve become...”

“Oh...”

“Hmmm...”

“You look good...”

“Cute...”

“No...more than that...you’re lovely...”

“How nice...”

“Ah...a picture...”

“Can I take your picture?”

(She shouts, shaking her head)

“No?”

“Then...I’ll have no choice but to burn this image of you in my mind...”

“My goodness...it’s cuter than I’d imagined...and sexier...”

“My little kitty...”

(She turns red and hides)

“Hey, no!”

“Don’t hide!”

“Look up, like this...”

“I want to see everything...”

<He stares at her>

“Yeah...this is it.”

“Black ears, a red collar and black lingerie that makes your white skin stand out...”

“——it’s more erotic than I could ever dream of...”

“Then come and sit on my lap, my kitty cat...”

“Face me while sitting in front of me, yes, and wrap your legs around my waist...”

“Put your arms around my neck too, that’s right.”

“That’s my girl...that’s a good kitty...”

Kissing her lips and sucking her tongue weren’t enough to satisfy his cravings of her so his hands slid down her back and grabbed her ass in a hurry...

“Heh...”

“We just kissed but your face is already melting...”

“Were you expecting this?”

“Hmmm...”

“Well...you already knew wearing a dress like this would provoke me so much. I wouldn’t be able to keep my hands to myself now, would I?”

“Now that I look closely, the breast part of this lace opens like a window...”

“Did you know about this and still bought it?”

(She shyly denies)

“Oh really?”

“Then let’s leave it at that...”

“Oh right...you’re a cat right now.”

“You look the part so you have to play the part too.”

<He flips the lace covering her right nipple>

Let’s open the window on this side too.”

“Huh?”

“Your nipples are so hard already.”

“What a naughty kitten...”

“Were you thinking of nasty things?”

“Tell me, which nipple do you want me to suck first?”

“This one?”

“——or this one?”

(She doesn't answer)

“If you keep quiet, I wouldn't know which would feel better...”

“So I'll just keep teasing your nipples around like this...with my fingers...until you finally speak up...”

“I'll gently graze the tips with my nails too...”

“This way, I can play with them, twist and squeeze them...”

“I know you're feeling good...”

“...because you've been grinding on me for a while now...”

“Are you an impatient kitten?”

“Hmmm...”

“Do you want me to suck on both?”

(She softly nods)

“I got it...”

“Then I'll suck on your tits in order so show me everything and lie down.”

(She does so on the rug)

“If the lace on the top flips open...maybe the same goes with the one down there...”

“Hey, don’t run away, stay still.”

<His finger glides from one nipple down to her crotch>

“Hahah! Just as I thought...it’s easy to get in if you’re this wet...”

“Aaahhh...”

“I just put in one finger but it got swallowed so deeply...”

“Hey...you’ve become a human again...”

“Show me how a cat cries when it feels good...”

“That’s right...”

“Want me to insert more fingers here and make you squirt?”

“Should I suck on your nipples while I’m at it too?”

“What a selfish kitten...answering me with just moaning cries...”

“Okay...I’ll give you a lot of grooming then.”

He sticks out his hot red tongue and licks the naked parts of her breast, teasing the mounds and nipples along the way before proceeding to suck them in an orderly fashion...

“Your cries are so cute...”

“Just like a cat, indeed...”

Meanwhile, the fingers inside her pussy hit her g-spot in an infrequent manner, as if making her itch and desperate for more. While sucking he was slurping her right nipple, she moans and whispers softly...

“Hmmm?”

“Pay attention to the other side too?”

“Nnnnn...”

<He talks between sucking her nipples>

“Then I’ll go back to this one...”

“I’ll add one more finger too...”

“Ahh, that’s not good...”

“You’re panting like a puppy.”

“You’re a cat, remember?”

<He hits her g-spot instantly and taps on it with his fingers making her squirt a little>

“Hmmm?”

“So you came, huh...”

“Your thighs are shaking...”

“And you’re drooling too...”

<He kisses her lips and licks her drool>

“What an naughty view...”

“The parts where the lace open are all shiny and wet...”

<He proceeds to show her his huge boner>

“Do you want this?”

“No. nope. You’re not a human right now.”

“If you really want this though...beg for it, come on.”

“Like a small kitten...”

(She does as she’s told)

“Well said...”

“Just like a good master, after all that disciplining done, it’s time for rewards...”

<He opens the condom packet and puts the rubber on>

“Come closer and slowly open your legs...lift your hips up...”

“Ahhh...I can see everything clearly inside your wet slit...”

<He puts his shaft between her pussy lips and rubs on it>

“Here...I’ll just touch here first...”

“So soaking wet...I’m glad you’re drooling down here too...”

“Every time the tip touches and kisses your pussy, it makes a sticky wet sound...”

“Haaaahhh...”

“Hey...I already told you...”

“Looking at me with those teary eyes is a foul...”

<He finally shoves his dick inside her hot and steaming folds>

“Fuuuuhhnnn....”

“Haaahhh....”

“I was planning to tease you more but...”

“Can I move a bit?”

<He begins to thrust inside rougher and faster, ramming his full length back and forth>

“You know...because you were...so cute...I couldn’t...control...myself anymore...”

“Haaahhh...”

“Your insides are so slippery...and squelchy...”

“It’s sooo good...”

“Haaahhhh....”

(She moans and pants uncontrollably at each thrust)

“Haha...you’re really...moaning...so cutely and aloud...like that...”

“Really...why were you...so worried...about me paying attention...to those cats?”

“There’s just no way...my love for you...can be compared at all...”

<His lips meet hers once more>

“Haaahhh...ahhh...when you’re naked like this...you’re really such an...erotic girl...”

<He kisses her again and again...tongue entwining, sucking and drinking each other’s fluids>

“Are you nearly there?”

“Are you going to cum already?”

(She tells him her feelings)

“Me too...”

“I love you too...”

“I love you so much...”

“Love you——”

“Only you——”

Impatiently, he parts the insides her of rose-colored flesh and rams his cock even deeper, coating his manhood with her slimy lubrication, purposefully stroking her folds, longing for the friction to further intensify the pleasure. Her body arches upward as she seeks more of his rock-hard dick then clenches onto it, egging it to burst...

“Fuuaahhh...”

“Now get down on your knees...”

“Put your face down and raise your ass and hips higher. Yes, kneel...”

“Good. Wait a bit while I’m changing condoms.”

(She asks him)

“Why change?”

“Of course, so I can insert it like this again!”

<His slips in his freshly-cummed dick into her hole>

“Nnnn!”

“Once again...let’s cum together...this time...right from the back...”

“Haaahh...”

“It feels amazing...”

“Your voice...it’s so lewd...”

“So naughty and loud...”

“Haahh...”

“Seeing your thick bouncy ass being squeezed by the lace...this kind of image of you...wearing cat ears...with a bit of drool...”

“It’s so perverted...”

“Hey, did you know?”

“I heard the sound of my neighbor’s door a while ago...”

“Since they’re back...there’s a huge chance they might hear us having sex...”

(She covers her mouth)

“No, don’t cover your mouth...”

“...and raise your ass properly, come on...”

<He puts all his weight into his hips and thrusts forcefully making her moan louder>

“Ahh...that was a good one...”

“Did you like that?”

“Should I do it again?”

“Ride you like a horse...”

<He shoves his dick violently again, making her feel a thud inside>

“If you continue to moan lewdly like that, they’ll hear you for sure...”

“Now that you know someone might be listening to us fucking each other...”

“Did you get more excited?”

“Damn...you’re always showing an innocent, hard-working face in the company...and yet...”

“You’re such a promiscuous kitten...”

“Haahh...”

“I’ll ram it here...is this the right spot? Do you like it here?”

“Up here?”

(Her moans turn into excited and heavy, rough grunts)

“So it’s here, huh?”

“Do you like being pierced deeply by a dick from behind?”

(She shouts and pants in ecstasy)

““I like?””

“Haha...what is it that you like? Is it me? Or my cock?”

““Both?””

“Fuck...that’s hot...when you talk like an animal in heat...”

“You’re being a bad girl...”

“I have to punish you then!”

He holds her hips as he pounces on her pussy in a piston-like speed before reaching out to one of her nipples, squeezing and pinch it at the same time...

“My face?”

“You want to see my face?”

“You want to kiss?”

“Of course...I want to kiss too!”

“So good...let’s stay connected like this...”

“Haahhh...”

“This position is addicting...”

While his lady love has her back bent to accommodate his thrusts, Tooru mounts himself to kiss her, places his body on crouched on her back while his smoldering kisses reach her lips and the insides of her mouth—all while he rides her back and forth bringing her to the pinnacle of orgasm...

“Mmmm...”

“Me too...”

“I love you too...”

He kisses her again, this time apologetically as her face steadily shows signs of weariness and relaxation after reaching climax. However, he was still about to burst and so...still needed her convulsing body to pleasure him a bit more...

“You just came, right?”

“Sorry, love...but please put up with me a little longer...”

On his way to reaching the zenith, flashbacks of the time he thought she was way beyond his reach flooded into his mind. Knowing that she is now completely his, he grew bigger inside her, like a ticking time bomb ready to explode at any given moment...

“Haaahhh....”

“It’s coming out...”

“I’m...cumming...”

“Haah, aahhhh...ahhhh——!”

<He looks at her blushing face and chuckles>

“Haha...your face is melting, so wet with tears, sweat and saliva...so messed up.”

(She asks if she's ugly)

“Never, you look beautiful as always...”

“Cats are cute...you are cute...mixing the two together, became an unbeatable level of cuteness, I must say...”

(Her belly makes a hungry sound)

“Are you hungry? Your tummy growled just now.”

(She giggles and nods)

“Okay, then I'll make cat food for you.”

(She angrily pinches his nose)

“Ohhh ouch!”

“I get it, I get it so please stop pinching me...”

“So, how does pasta with lots of cabbage and bacon with minestrone soup on the side sounds like?”

(Her eyes twinkle and shouts 'sounds good!')

“Hahaha, what a lively response 🎵”
