〈*Briskly*〉*My Name is Riana Tadano, I am 19 years old! I'm a first-year at Koriyama College of Welfare Science! It is my pleasure to be here today!*

*Why yes, my reasons for studying abroad...! \*Inhale\*...*

*I have 3 reasons for applying to your foundation's study abroad scholarship program!*

*Number one: I believe that studying at an American community college would foster my growth in a culturally-diverse environment!*

*Although I have never left my hometown, if I go to America, I believe I will encounter people of many different backgrounds, giving me a broader perspective on life through the variety of beliefs they hold!*

*As for my second reason, I plan on transferring to a 4-year university in America. By studying at an American college, I hope to take part in the world-wide community!*

*For my third reason, 〈少しずつ早口になり声が低くなり素がでていく〉well... To be honest, I feel that Japan is still behind on global views and diversity, and women still lack the opportunity to succeed in our chauvinist society.*

*People of my generation grew up connected to the world through social media, and we take global values for granted, but old geeze-〈She just stops herself from saying geezer and gives some exaggerated coughs to cover it up〉\*cough, cough\*... Ahem, older generations still won't acknowledge them, so, compared to the rest of the world, Japan lacks diversity.〈さらに早口になりほとんど文間の間をおかず低い声でまくしたてる〉I especially feel that our job-hunting customs are truly absurd. Everyone has to have their hair black or dye it, wear the same suits, give the same cliched reasons for applying, and it sickens me so much I break out into rashes!*

*The other day, I applied to a JTC, and... oh, JTC stands for Japanese Traditional Company, they're old-fashioned, vile corporations, but... in my interview, they said my nail polish was forbidden! Can you believe that!? Why can't these traditionalist Japan-centric companies do anything but deny everyone their individuality!?*

*〈ヒートアップしすぎたことに気づき恥ずかしくなって落ち着く〉...Ooh, sorry about that... I couldn't help but get a bit fired up... \*inhale\* Haah... It is my firm belief that a more tolerant and diverse society will bring forth greater ideas and solutions. By studying in America and expanding my worldview, I believe I will grow into a free, independent woman who will help usher new values into Japanese society!*

*...Yes, thank you very much! How much English have I studied...? Not so much at all yet, but I will do my best! I assure you that I will pass the TOEFL before going abroad! Once in America, I will mingle with foreigners proactively and live and breathe in English!*

*...Yes, I have no more questions. Thank you for your time today!*

*Oh hey, Mom? Yeah, I just got to Narita and checked in my luggage. ...Yeah... uh huh... It'll be fine, I can always call you if something happens.*  
*...You worry too much... I mean sure, the campus is out in the countryside, and they don't get many exchange students... actually, they don't even have many Asians living out there, but, that's what makes this a fresh and exciting experience! And I'll be able to pick up English much faster in a place with few Japanese people! ...Yeah, yeah... find a good man!? I'm going there to study, not to fish around for men! ...Uh huh... yeah, I'll call you again when I land in the states, later!*

SE [Phone hang up tone]

リアナ 〈*Muttering to herself*〉 *I've still got 2 hours until boarding, but it might be better to get through security early... wait, was I supposed to put my skin lotion and stuff into bags...?*

リアナ 〈*Startled at suddenly being spoken to*〉Aieeh!/? You gave me a scare!  
Woah, it's been awhile! Are you also flying somewhere? Huh? You  
came here to see me off? What the heck? We haven't even been in  
touch for awhile. But, I'm glad. Thank you.

You're worried about me? Geez, not you too, I already heard it from  
my mom! ...She's the same as always. She's ever the worrywart and  
always gives me an earful about not breaking curfew...

(Sighing) Phew... Talking with you like this sure takes me back to  
highschool. After we graduated, you went straight to Tokyo, while I  
stayed stranded in our hometown.

Now that covid's lightened up and all,

〔接近して右耳元から〕〈*teasing whisper, voiced*〉I bet you've been playing  
around with all the college girls you can, huh?

〔右側から〕I'm joking, joking, aha, don't get so upset.

〔右側から正面に戻る〕But you've gotta at least have a girlfriend or two by  
now, right? Huh, you don't? You're kidding! But... Hmm, I see... Huh?  
Me? I don't, I don't! (laughs) People don't need to be in such a hurry to  
get a boyfriend these days, ahaha.

Plus, there aren't really any good men around here.

...Hmm, maybe I should find myself a boyfriend in America.

Huh? (laughs) What are you suddenly freezing up for? ...Hm?

〔接近して右耳元から〕〈*Soft whisper, voiceless*〉Could it be that you're  
jealous?

〔右側から〕Wait, what, did I hit the bulls eye? (laugh) You can be  
surprisingly cute sometimes, huh? But, just being nice and cute might  
not be enough to get you a girl... maaaybe.

〔マイク正面〕"Take care of your health over there," huh...〈*She's a bit  
taken aback that her childhood friend who seems to be into her can't  
even say a single charming thing as they part*〉Right, okay, sure thing.  
The food and climate and all that is different there, after all. Seriously  
though, you worry too much! What are you, my dad?

*Yeah, I plan on being there for 4 years. I'll get good grades in community college and transfer into a 4-year university.〈Saying "Gee pee ayy?" like she's unsure of if the end should rise in intonation〉 I've heard that their standards for GPA are pretty high, so I'll have to study quite a bit, so I might end up pretty busy.*

*...C'mon now, don't put on such a lonely face! The cost of living in America is pretty high, so I'm sure I'll go back to Japan during the longer holidays. Oh, that's right! We should do video calls! I'll have to speak in Japanese from time-to-time or I'll forget how, and you'd get lonely otherwise, wouldn't you? And I wanna introduce you to any cool friends I make at college too! Oh c'mon, you're looking tense again! I'm not such a loose girl, y'know!?*

*...Yeah, you take care too! We'll keep in touch, I promise!*

I'm from Fukushima Koriyama city, in Japan! ...And, I used to go to a junior college there. um..., this is my first time going abroad. So I'm a little nervous, but I'm really excited to be here!

SE [Half-hearted applause]

リアナ Thank you. Uh, so, I really, really love America. It's a country I've always admired, and, um, I'm so excited to be here!

リアナ Oh, uh..., everything! The culture, the art, the people..., and, um, I really want to make many friends in the USA!  
Well, you see, um, I really want to learn English. So I thought coming here would be a great opportunity to study a lot. I hope you can teach me many things!

Thank you so much. I, um..., appreciate it. I’m really looking forward to, um, making friends and, uh, learning a lot from all of you!

リアナ *Next is... oh, Next..., uh, ...any questions? Any questions? I will answer anything!*

リアナ ...Hobby? My hobby is playing video games, especially FPS games! Recently, I’ve been playing \*\*\*\*\*. I also love watching American TV shows on \*\*\*\*\*!

リアナ Tall? I’m 165cm tall, about. In Japan, it is a little tall, but here, I feel like a child, you know? (笑)

“Your weight”? *〈Doubting that she heard them correctly, she repeats it to herself〉*...Weight!? *〈If asked this in Japan she’d get angry, but when asked so bluntly in English in America, she gets swept along with the flow and answers with a nervous forced laugh〉* a, ahaha..., fi, fifty-six kg, about 120 lb heavy...

Wait..., *〈Like checking if she heard correctly〉* Did you say “How big are your tits?” *〈Unaware of what “tits” means〉* Tits means...? *〈Shocked, her natural voice comes out〉* ...Breasts size!? Breasts?! *〈Uncomfortably, hesitantly speaking〉* ...Ah, err, but..., well...,

P, Pardon?? *〈Speaking loud and clear〉* ...My tits size is E cup!

Show you my tits!? N, NO! This is a school! Is this a joke? haha...

リアナ “How often do you shlick”? Wha, what means shlick? ...Why is everyone laughing??

Ma, Masturbation...? *D-Doesn’t that mean, masturba...!? 〈Quietly muttering to herself〉 I heard Americans are pretty open about themselves, but even about stuff like this!? 〈Embarrassed, but speaking loud and clear so she won’t have to repeat herself〉*...I, I do it sometimes...

リアナ “How do [censored] moan? How about you give us a listen”?  
So, you mean... huh? Um..., you’re saying, like, moaning here!?  
*〈Mortified and bewildered〉…Umm…～…Aah…,〈Rather than trying to do it well, she’s too embarrassed and does a poor impression of moaning〉* “Ah, aaahn… nnhh… hh, aahn…” Is, um, is this okay?!

リアナ Ah..., “boyfriend”? Yes, I have a childhood boyfriend.

リアナ “How’s your boyfriend’s dick”? What does “dick” mean? …Why do you laugh? Did I say something funny?

“Dick is” Banana? Sausage? Hot Dog? Middle leg?! I don’t understand it at all...

“Think about what’s between a man’s legs”...?

*〈Murmuring to herself〉* A thing men have, in between their legs…?

*〈She finally realizes and lets out a startled gasp〉*—— ! ?

Oh, No! He’s just a childhood friend! We’re not in..., that kind of relationship! It’s really not like that!

リアナ Oh, teacher... is it time already? Alright, I understand. So, that concludes my self-introduction. Oh, thank you very much..., th, thank you...

Today, it seems like my classmates are going to teach me a lot of everyday English conversation and vocabulary! If you like, feel free to study along with me! Hehe...

Well... *Ah... wait, what are we doing next? Huh?* So...you’re going to tell the words written here, and then I just have to repeat, right? OK! I will try...

First one is..., a greeting! *Looks like I’ll start off with some greetings*

*Um...*

Repeat after me!

“I’m a whore!”, “I’ll strip for a dollar!”, “Please buy my body!”

*This next line is a little longer...*

“Nice to meet you. I’m Japanese student girl, and I’m a whore! I’ll strip for a dollar! Please buy my body!”

*This is supposed to be a way to introduce yourself, but what does it mean...? W-What does it mean by buy my body... huh? An idiom? It’s just an idiom that doesn’t mean much? Uh huh... It means you should invest in me? Sort of like saying, “you can count on me!” Perhaps...? ...Everyone’s cracking up, am I really doing this right...? (laugh)*

*Let’s continue... Apparently all of these are ways for women to greet men.*

“I love cocks!” “I like fucking raw!” “I want your cum!”

Repeat after me!

“I love cocks!” “I like fucking raw!” “I want your cum!”

*Next, all together!*

“Hi, I love your cock! I like fucking raw! I want your cum right now!”

*...Hey! What’s so funny to you guys!? Geez...*

次は留学の志望理由でも使えそうなセンテンスの紹介です。Next I will say some sentence that tell why you want to study abroad!

*Here goes...*

”I came to the US to get fucked by hobo dick! I’m a public cumdump!  
Please follow me to the bathroom! Please fill my womb up with your cum there!”

Next, let’s say it together!

”I came to the US to get fucked by hobo dick! I’m a public cumdump!  
Please follow me to the bathroom! Please fill my womb up with your cum there!”

*“Hobo” is apparently another way to say homeless! Huh? I sound like I’ll be very helpful to them? Thank you very much!*

My classmates are going to teach me English next week, also! So please follow me!

Now, for the final part, this week’s English vocabulary corner~!

*Heh, just kidding! (laugh) As if I'd forget how to speak Japanese in just two weeks! (laugh)*

*It's been awhile! How have you been?*

*Yeah... so, my roommate is from Texas... mhm, no, he's a guy!*

*It's fine, it's fiiiine! (laugh) It's totally normal for guys and girls to be roommates in America!*

*So anyway, I found an apartment offering a huge discount for women, so I picked it without checking the area, and it's sketchy as hell! Just this morning, a man showed up asking me if I wanted "Mexican Food," and I wondered if there was a Mexican restaurant nearby... but it turns out that meant heroin! (laugh)*

*...like I said, it's fine! I won't touch any drugs except weed!*

*Haha, don't get so upset... (laugh) I'm joking, I'm joking! (laugh)*

You really do worry about me like my parents. Not that I dislike that about you.

*Oh, come to think of it, I started making English video lessons on \*\*\*\*\* and \*\*\*\*\*!*

*My classmates have been teaching me English, and we figured we might as well get it on video and share it online! So we're gonna be streaming every week now, but you should check it out! Wait, you don't watch \*\*\*\*\* or \*\*\*\*\* much, do you?*

*Well anyways, it turns out that Americans really are open about everything!*

*I was pretty shocked by it, but when I gave my self-introduction, they immediately went and asked me about my weight and bust size!*

*But, you see, although it'd be creepy if some middle-aged Japanese guy asked, it felt really natural and light-hearted coming from them... Hm?*

*Did I answer them? 〈With some embarrassment〉 Well, yeah...*

*〈Whispering, from voiced to gradually voiceless〉 Could it be that... you also want to know my bust size...?*

*〈An embarrassed laugh in a suppressed voice〉 Ahahaha... hmm...*

*It's. A. Secret! Ahaha...*

*...Oh, uh huh, no, it wasn't like that at all, so don't you worry! Plus, actually, some questions took it even further...*

*I wooonder! (laugh) What could they have asked? (laugh)*

*Oh, that's right! I'll have to introduce you to my friends from class next time! They were all saying they'd love to meet my "boyfriend" in Japan. Look forward to it!*

*Oh, looks like my roommate's calling me, so I'll catch you later!*

リアナ 〔左側から〕あはは... that tired me out a little... Your cock is such a wet mess, now... What's that? You cracked up when I said "white pee"? But, I don't know what to call that white stuff in English.(笑) People call it cum, or semen? Huh... Semen... so much semen...

Huh? You want me to kneel on the floor here? Sure, that's fine...?

リアナ 〔左側から正面下へ移動〕Here, I'll kneel right below you...

〔正面下〕Is this fine? *W-wow...* Your huge cock is dripping with semen... it smells so strong...

it's so smelly...I'm actually turned on a bit by smells... えへへ...

No, but... it's all covered in semen... *〈she's about to call it gross but stops herself〉* it's so gro... um, not very clean... You asked your white girlfriend to do it before and she refused? Well... *ugh.....* You're gonna ask me, a Japanese girl, to do what a white girl couldn't stand and refused...?

This much is normal? That's not normal at all!  
I mean... Oh, I mentioned that I have a platonic boyfriend in Japan, right? He once told me that, after masturbating and cumming just once, he enters "Philosophy time"... Oh, do you know what "Philosophy time" is? In Japanese, it's what we call the time after a man feels good and cums, when he stops feeling lust for a while. What do you call it in English? Post-nut clarity?  
Ooh, I see. He said that he gets post-nut clarity and then his dick will stay soft even if he looks at porn!

What's that? In front of a beautiful girl like me, you can always get a hard-on?  
Geez!♥ ...but, it seems like it's true... Even though you came twice, you're still so full of energy...♥ It seems like a big man like you has a vigorous cock, too... I guess different races really do have their differences? Wow...♥

I've never, embraced a man... or held a dick in my hands... or k-kissed... or given a blowjob... or, of course, um... 〈*embarrassed*〉 *Um...* or had s-sex before, either!

You thought I was experienced cause I went for you so confidently? That was... aah... T-To be honest with you... Um, y'know, Americans are way more adult and open with their sexuality than Japanese... So, I thought if I confessed I'm still a virgin at my age, I'd be made fun of and treated like a kid... I-I was too embarrassed and couldn't admit it...

...It's nothing to be ashamed of? B-But... American women seem so much more adult, like they all have lots of experience with sex...

I have it together? That's not true...

You're happy because I saved my first time just for you?

〈*Like she can't get enough of it*〉Th-This is fate, you say... E-Even if you tell me that... You think I'm beautiful for staying pure and guarded, unlike other Asians and Japanese?

リアナ [正面]〈*Hooked on weed, she's acting giddy with her words a bit slurred. Slutty*〉*It's been awhile since our last video call. ♥ Riana's here. ♥ How've you been? I've been greaaaat♥ It's already been 2 months, huh♥ Have I been lonely? Nope, not at all!*  
*Sorry I couldn't call you! ♥ Things have been so busy and fun and as a transfer student, I completely forgot to call! ♥ Eheh♥ I seem pretty different? Ehehe, you think sooo?*  
*I changed up how I do my make-up a bit, Americans like it more this waaay♥ Huh? I'm slurring my words? I shouldn't drink until I'm 20?*  
*Geez, you're acting like my parents agaaain♥*  
*In America you gotta be 21 to drink, did you know? ♥ Ehehe, I told you, I didn't drink anything♥ The stuff I haaad... ♥ Is way more heaaalthy and feels better than booze♥ Fufufuu... ♥ What, are you really getting mad over some weed?*  
*It's totally normal in America and overseas♥ Didn't you know? In some US states, or forward-thinking countries like Canada or Germany, it's been legal for ages, you know?*  
*In Asia they even legalized it in Thailand, so if you stay stuck in Japan's way of thinking, you'll never adapt to the future, you knooow? My studies? Going good, going good!*

*All my classmates show me so much support, and we can already speak like equals in English! Ooh, that's riiight! I have some friends here I wanna introduce you to today!*

[後ろを向いて]〈*Calling out to the others nearby*〉Hi~♥ I'm in a call with my boyfriend in Japan right now! C'mon, get next to me♥ Yeah, "that" boyfriend!

リアナ [正面]〈*Her two "friends" sitting beside her touch her during the call, she speaks in Japanese to her childhood friend, and English to her "friends"*〉Ehehe... Let me introduce them♥

Hey!♥ C'mon, don't grope my tits in front of my frieeend.♥ Ooh, no touching my ass either♥

*Ehehe, as you can see, they're very friendly♥ The guy on my right, left for you, is my white roommate♥*

C'mon now♥ My nips are no good either♥

*He's into Japanese culture and a bit geeky, but unlike a Japanese otaku, he has good tastes and he's pretty cool♥ Plus...♥*

Aahn♥ Don't stick your hands down my paaants!♥ Don't play with my asshole while I'm talking to my frieeend♥ Geez♥  
*Umm, so the big black guy on my left... he's huge, isn't he?♥ Compared to him, Japanese men look like kids♥*  
*He's also my classmate, and since non-white people are few in this county, he reached out to me so I wouldn't be lonely, and invited me to an or... a, a party!♥ He's the one who introduced me to weed♥ My first time was with edible gummies, but now he's taught me all sorts of fun ways to get high like using joints and bongs!♥ Huuuh? You okaaay? What are you just gawking at me for?*  
*Oh, and tomorrow, my friends are gonna introduce me to a Korean star who's big in the states! Y'know, that guy who just got back from his military service!*

*They showed me a recent photo of him, but he looks super hunky and cool now! His arms must be several times bigger than yours !*

*〈suddenly her crotch gets teased〉* Aaahn♥ Don't touch me in weird places while I'm calling♥ You want me to join you in bed already? Geez, we already just did it.♥

*Oh, looks like I've got to do something, so, until next time!♥*

SE [Intercom rings]

リアナ [正面]〈*Whispering into the intercom*〉Hi, this is Riana from Student Escort Service!

SE [Door opens]

リアナ *Anyong haseyo (Hello)*♥ Thank you for choosing me, Riana, to service you today! It is a great honor to have the opportunity to service a famous Korean star like you!

Yes, I'm attending community college to transfer to a 4-year, but the scholarship isn't enough to cover everything, so I'm earning the rest with this part-time job! My skinny, oafish Japanese body might not please you, but man is king here, so when it comes to bowing down to a man's cock, I won't lose to any other nation's woman.♥ Please use my whore body to do all the things that your Korean and American girls refuse to do!

My coat? *Fufu*♥、take a look, I'll take it off...

SE [coat rustling]

リアナ Do you like it? I was naked under my coat the whole way here.♥ I walked through town with only this coat to hide my naked body... I might have been raped if I was found out.♥ Even if a yellow cumdump dressed like a whore got raped, nobody would feel bad for me, they'd say that I deserved it.♥

*Aaah*♥ I want your Korean idol cock so badly, let's not bother going to the bed...♥ Use me right here, let me suck your cock at your front door.♥

[正面から少し下へ]Please let me grovel naked before your cock right at your front door!♥

SE [Dropping his pants]

リアナ [正面少し下から]〈*Horny and panting*〉*Haah*♥ *Haah*♥ Though your body is brawny from the military, your cock is a pretty cute size♥ *Ahaha*, it's still covered by the foreskin a bit♥ But, it also looks so hard and delicious♥ Did you knooow? In Japan, we use the word "sokushaku" for when you get straight to sucking cock before they even shower. "Soku" means "instant," and "shaku" is a traditional Japanese flute. It's for when a man wants to dominate a woman by making her suck his unwashed cock.♥ Please, allow me to do "sokushaku".♥

*Ehehe*... it's so smelly...♥ I'm going to put saliva lotion on you♥ 〈おちんちんに唾液をはく〉...ツ、ぺっ、ぺえッ！

〈*Inhales, then starts sucking*〉*Haah*♥ *Haaah*♥...*Mngh*... ♥ *Scchhlhl*...♥

【*ad-lib, aggressively sucking him off* 15 秒】

〈*While blowing him*〉Your great, Korean cock...♥*Scchhhhl*♥, it's so tasty♥, *schup, schlup, scchhhhh*♥ Oh yes, I'm actually pretty good with my tongue, I can tie a cherry stem into a knot in my mouth.♥ So, I'm gonna peel back your foreskin with my tongue♥

I'll pucker up my tongue, and slide it under your cock's skin...

【*ad-lib, sticking her tongue under his foreskin and licking around* 20 秒】

〈*Like talking with her tongue out*〉I got lots of sticky, white, dick cheese out from under your foreskin.♥ *Haah, Haah*♥ *Nh, ngh*♥

〈*Chewing it in her mouth*〉*Omn, mhm, nhm... Nnh...*

〈*Swallowing*〉\*Gulp\*

*Haah, haah*♥ Actually, most guys still shower before “sokushaku,” but it looks like you really didn’t.♥ You kept it dirty on purpose so you could use my tongue as a rag for your dick cheese, didn’t you? But that’s okaaaay♥ It’s an honor to have my Japanese mouth pussy used as a vacuum cleaner for Korean dick cheese.♥ Since I already started, might as well make it as clean as I can.♥

【*ad-lib, licking it up* 15 秒】

〈*Talking with her tongue out*〉Look.♥ Just by scrubbing under your foreskin a little where it’s wet and white, so much hidden dick cheese crumbles out.♥

Just look at how much dick cheese is on my mouth♥

It’s all gonna go down my dick cheese garbage bin.♥

【*ad-lib, closing her mouth, letting saliva pool up, and swallowing it all* 10 秒】

Your Korean dick cheese all went into my tummy♥ It’s gonna digest in my stomach and make your Korean dick cheese a part of my body. ♥ *Haah, haah*♥ Your cock is sparkling clean, now♥ And... *Ehehe*, it’s so hard♥ Y’know, I’ve sucked on a lotta cocks since I came to the US, but yours might be the hardest.♥ I love big black cocks, but I love hard cocks like yours too♥

〔正面〕Now that your cock’s all cleaned up, next is...♥ Alright, go ahead and drop your pants and underwear, and turn around for me.♥

[マイクの後ろから] Alright, now just stoop down a bit, and stick your butt out... Yes, stick your asshole out right in front of my face.♥

[マイクの後、すこし下から] Okay, your asshole's about to get cleaned by a made-in-Japan human bidet!♥

〈*Taking a deep, slightly nervous breath*〉\*Inhale...\* Haaah♥

〈*Kissing his anus and sucking*〉Sccchhhhl... mmhhchhhmm... schhl, schhl...p, schlup, schlllp...♥

Puaah... Ehehe♥、next I'll lick it clean around the outside.♥

【*ad-lib, rimjob 20 秒*】

〈*She gets a bit nauseous*〉Uuurghh... Haah, haah♥ So biiitter♥ Haah, haah, could it be, that you just used the bathroom? Did you take a shit right before I got here? I knew it! Did you barely bother to wipe cause you knew I was gonna lick your anus? Ehehe♥ Next up, I'll spread open your asshole with my fingers, then pucker my tongue and dig it in deep...

【*ad-lib, sticking in her tongue and licking around, occasionally gagging 20 秒*】

Haah, haah♥ how iis it?♥ I even cleaned off all the parts you left filthy♥

[正面] I heard from my employer that most girls refuse to suck on dirty dicks or lick men's unclean assholes, but a lot of Japanese girls are more than willing♥ You seeee, lots of depressed girls from poor families live in Japan, so many of them will do the most filthy, undignified sexual things if it means getting some money♥ I came to America as a college student, but lately, many Japanese whores go overseas to offer their services.♥ Probably because of that, I was suspected of being a whore during immigration inspection, it was a reaaal pain. ## Chapter.14 The Voice Actress's Free Talk segment

### 声優様フリートーク

時間自由、特に NG なし

*"Hello! I'm Riana Tadano!"*

*So yeah, I'm the indie voice actress Izumi Mikoshiba, and I don't speak a lick of English!*

*For what it's worth, I did pass rank 2 of Eiken (EN exam) on a whim, but...*

*The last time I actually studied English was in highschool, so I only know English an elementary schooler would use, so it felt like talking nonsense while acting this out!*

*I'm Izumi Mikoshiba!*

*Hey, it's nice to meet you! This is Izumi Mikoshiba.*

*"Thank you thank you! Uh huh, uh huh?" That's about all I can speak.*

*That aside, I played the role of Riana Tadano for this work!*

*It was the role of a girl who speaks in Japanglish!*

*I've never been commissioned to work in English before this.*

*Well... I have recorded some short lines before like "Oh yes yes, c'mon," etc.*

*But other than that... I've never done a full-blown English work before!*

*So, it was really... um...*

*Like I'd be all, "Huh? Uhh, what was that?" while acting it out, but I hope you could understa...*

*Er, sorry about that, just swallowed some air...*

*So like, I spoke pretty heavy Japanglish, but I'm hoping it could be understood by people overseas!*

*Um... I learned some things!*

*While recording this I learned that "Cock" means dick and "Semen" is cum.*

*Yep, I learned it well, thank you. Oh, I also learned that "Asshole" is butthole.*

*Perfect! I'll have no problems in America like this.*

*How am I supposed to survive if I can only say "cock cock cock cock!"*

*Well I dunno, but...*

*So anyways, just using English was tricky enough by itself, but...*

*But, using English while...*

*saying stuff like, "So, yadda yadda... take me out?"*

*while doing things like whispering and putting emotions into it really proved to be a challenge!*

*But well, how do I put this?*

*I felt like I pulled through in the parts I had to speak really fast, and I learned that, no matter what language you speak in, dialogue in blowjob scenes is always hard to understand!*

*I felt like I got to experience something global there, haha.*

*And well, it's the usual thing, but...*

*Some people might worry about me, being in those kinds of works by Kawaiso is Nukeru, um...*

*and some might imagine I don't like it, but don't worry, I had a blast recording this!*

*Apparently some people got worried with that last work about the voice actress, but I had a fun time acting that out too!*

*And this time too, umm, I had a fun time playing the role of a girl who got totally messed up.*

*That said... um, though it's a given...*

*Though I've played some roles with some battle-crazed girls going all "AHAHA, what's up punks!?" and the like...*

*But like, when it comes to acting out someone who's gone off the deep end with drugs...*

*Umm... I've only had that kind of role once or twice before this, so it really is a mystery to me!*

*So it really is just, well, my own imagination of how a drugged up person might act like, but...*

*So, well, um... if the feeling managed to get across to you all, I'd be happy with that.*

*Yeah... so like, overseas, huh...*

*What's it like? I've never been overseas before,*

*but this made me wonder if Japanese people really do speak Japanglish over there,*

*But, I'm sure they speak better English than me, oh well... is what went through my mind while acting it out, haha.*

*But well, hearing native-level speakers makes me think, yeah, my pronunciation is still pretty off, but...*

*I really did do the best I could manage, so please have some mercy haha...*

*Please praise me for trying so hard!*

*And well... if this work leads to any people overseas thinking that "Izumi Mikoshiba is pretty good!" it'd make me so happy!*

*Hope you enjoyed it, all of you listening from overseas!*

*Hope you liked it!*

*So yeah, sorry to use up all this time in the free talk,*

*I think I'll wrap it up around here.*

*So yes, I hope you might enjoy listening to that poor Japanese girl being  
humiliated again and again!*

*Alright, thanks for listening! This was Izumi Mikoshiba!*
