The Encore Doesn't Stop ~ You and the Lunatic Idol ~

Playwright magato

Characters

*Koki Mitushina = > 18 years old

A male idol with a natural voice and a talent for dancing. He was originally timid, short-tempered like a child, and easily dependent on others. But when he is an idol, he becomes like a chick womanizer.

When he was a child, he went to a foster home to learn water. When he was 8 years old, his manager (heroine) protected him from being bored in the park because of his dark face and handsome looks.

You can enter the training school of office A where you worked. Aquatics and managers have a history of spending time together in public and private from an early age. We used to call our manager "Sis".

However, after he debuted as an idol, he was thoroughly called a manager in front of people.

Ah, hee hee 。 the manager came here in a hurry? Thank you for your hard work.

..... It's been a week. I'm glad you're looking well.

Huh? Oh, I haven't waited that long, so don't worry too much?

... I'm sorry that I ordered many things first.

..... Yes, what does the manager drink? You said you liked the coffee here, didn't you? Coffee?

I see. I also want another cup of cocoa

(Call out to the staff)

Oh, sorry!

*Heroine "The story ..."

.....! Oh, yeah,? We haven't talked yet, have we?。

I was wondering if you could give me a little time before we start talking on

*Heroine "Why?"

Well, let's see, it's, uh, or, you know, I'd like to get a little mentally prepared myself, ...。

It's, so can't we talk after drinking? ...?

*Heroine "That's right. It's okay."

Oh, good 。 ... thank you, manager.

How's your manager's coffee?

*Heroine "Yeah, it's delicious."

I see. It's good if it's delicious! If it's, I think I'll have coffee next time. How about

Ah Well, there's nothing we can do if we keep deceiving them, so it's time to get down to business ...?

..... What the hell is it that the manager wants to talk to me about today ...?

..... I left the unit all of a sudden, and the office left without my permission. I'm such a troublemaker.

Can the manager use that conversation to kill a precious holiday?

*Heroine "Don't say things you don't even think about."

Why do you think that is not true? ...? ... Do I look like a liar?

What? It's on your face ... really!? I've been smiling ever since the manager came!?

..... Oh! Maybe it's because of that that that the manager has gotten a lot more angry ...!? ... Hey, that's not it!?

...! I see. That's good. ...

..... If that were the case, I would definitely go back to ...

*Heroine "What's wrong?"

Ah why ... why quit? You think the manager has a reason to leave the office?

*Heroine "I didn't know you were so worried."

Of course! You must be worried about the manager ...!

Why? So the ... manager had to take responsibility for what I did ...?

*Heroine interrupts, "No, no. I quit on my own."

Oh, ... is that really ...? It was really the manager's intention to quit the office, wasn't it ...? You're

not trying to be nice to me, are you ...?

I was in the unit, I forced him to sell."

What! ...? I didn't know you were promoting it since you were in the unit ...! The ... manager is too pushy ...。

..... Also, I thought you'd say "Yes, I'll be back." easily when you suddenly said that to me ...!?

Hum, hum, hum, hum, ...◦

Ah Ah, I want to die. I want to disappear ...◦

..... I shouldn 't have been born with this ...◦

... when you stabbed my neck ...?

..... Something , a lot of things came to my mind◦

..... Is it called somato? Something hot, painful, numb I remembered a lot of things.

..... you know, I ...◦ I've never been expected of anyone since the old days ...?

The family was always hanging around with my sick brother, always putting me on the back burner and putting everything on the back burner, and ...◦ ended up being put in an orphanage by his mother because she had to nurse him. The facility was a place like Hong Do-suk, and she was bullied because of her feminine face. Older kids beat me up.

Always at the park nearby ... and have Sis find me in the park and put me in the training school of the office. When I told my mother that I was going to be an idol, my younger brother's hospital bill was too expensive, so I spent no money on ... and all I did was talk about my younger brother.

I was and I was scouted by Sis and I was and I was really happy that I could be somebody's number one because I was and I was the worst thing I could ever do to such an important fan

Do you remember the day we spent together in a training camp as kids? When I was depressed, sometimes he took me out of the camp. Parfait, soft ice cream, or pancakes in coffee shops. They let me eat a lot of delicious food. Sis was also a novice, so she definitely didn't have money, but she did her best

We play crane games together at game arcades. I really enjoyed it. I don't have any memories of my family or friends.

You saved my life. Even in this world, good things happen ~. This is what happiness is all about.

Manager,

..... I was so happy that Nae Yeon looked like a real sister.

At that time, I hadn't made my debut yet, so I had only lessons, and I still had time, so I was having a lot of sex. (Laughter)

Sis, I am a kid, so I use so many adult techniques

And then I made my debut, so I was forbidden to call me Sis.

'Don't call me Sis from today! Call me manager!'

That's too much, suddenly let go.

After Sis refused to let me have sex with her, I tried to have sex with several other women, but it didn't feel good.
