

- Track 1: Introduction: A cosplayer suddenly appears at an event

t

... Sensei. Sorry for this sudden message.

There's one thing I'd like to ask you.

...Are you sure it was you who published this book a long time ago?
o?

...I see. ...That's good.

...Oh, sorry it's so worn out.

...Um, after reading it so many times...it ended up like this.

... Sensei.

If it's okay, could you hire me to sell at your next event?

...Thank you for today, Sensei.

For letting a woman like me, who doesn't even have social media in this day and age, sell things.

I guess I surprised you by meeting me at the event, right?

1 ...But thanks to you, I had a really good time.

2
3 ...Probably, no, definitely the most fun time I've ever had in my life.

4
5 ...I'm not exaggerating.

6
7 I got to see the faces of people who like your work as much as I
8 do, and more than anything, I got to be in the same space as you.

9
10 It was truly a happy time. I'll never forget this day.

11 ...I was also happy that he said the cosplay looked good on me.

12
13 I heard that you liked this character when we met before. So it was
14 worth cosplaying as the character.

15
16 ...Come to think of it, you said you've been in a slump lately, but
17 everyone who came to buy your book was smiling.

18
19 ...Your work is loved by many people. I think you should have mor
20 e confidence.

21 ...Huh? A party...?

22
23 ...I appreciate the thought, but after this...I have to go somewhere...

24
25 So, um, I'm sorry.
26

1
2 ...Contact information?

3
4 I appreciate the thought, but...my parents have forbidden me from
5 giving out my contact information...

6
7 No, wait a minute.

8
9 ...If you come to the place written on this paper and tell the recep
10 tionist this name...you will be able to meet me.

11
12 But...you might regret not meeting me.

13
14 If that's okay with you, please come to the place written on the pa
15 per.

16
17 ...Well then, goodbye, sensei.

18
19 Thank you for today.

Track 2: Silent whispering and ear licking handjob to a cosplayer selling sex at a cosplay sex shop

...Welcome.

Thank you for choosing me today... Sensei...!?

...I can't believe you actually came to see me...

...I can't let you talk while standing.

For now, sit on the bed there.

...I'll sit next to you.

...You must be surprised, right? I work at a cosplay sex shop.

...I'm sorry that a woman like me has become a salesgirl for Sensei.

...What? There's no need to apologize, I'm happy to see you again...?
n...?

...Damn, Sensei is really kind. Even though we're both men, he's very different from my father and the store manager.

...That's right, you paid a lot of money to come all the way here to see me.

...Let's do something pleasant... right...?

Actual sex is prohibited by the store rules, but most other play is p

ossible.

Haa...♡ I'd be happy if you felt good, so... Haa♡ Tell me anything you want me to do...♡

Laughs...♡ When I sighed on you, your body twitched...♡

This feeling... You seem to have a sensitive ear...♡

Then, this time, I'll lick your ears and give you a handjob...huh? That's not what you came to see me for...?

...Fufu, even though you said that, your penis... seems to be getting hard already...♡

Even though I'm just whispering in your ear, you seem to be in pain, wanting me to take it out of your pants...♡

Huh? ...As you can see, I'm just taking off your pants.

All men like to have their penises handled by women, right?

...Okay, I got them off.

...I'm uneducated.

...This is the only way I know to please my admired teacher. I'm sorry.

Besides, I can't do nothing for you, since you came all the way to see me in a place like this.

1 So, I want you to at least give me sexual service.

2 I'd be very happy if that made you feel good.

3 ...Hmmm... Sensei's dick... is throbbing...♡

4 Thank you for getting an erection from a woman like me.

5 ...Well then, let me start stroking you.

6 Stroke...stroke♡Stroke...stroke♡

7 Stroke...stroke♡Stroke...stroke♡Stroke...stroke♡

8 Hmm...How is it, Sensei? Does it feel good?

9 I see...

10 I've handled countless men's dicks since I was a child. I'm confident
11 in my handjob skills.

12 Just by looking at your reaction, I can pretty much tell which part f
13 eels good.

14 ...For example...it would feel even better if I stroked this spot a little
15 harder, right?

16 ...Hehe, I thought so.

17 You can think of my hand as a masturbator to make you feel goo
18 d, Sensei♡

19 ...Ever since I was a child, my parents and other men have always t

1 reated me like a masturbator.

2 So, Sensei, feel good however you want and cum whenever you wa
3 nt. There's no need to worry about tools.

1 Hmm, what's wrong? Look at my face.

2
3 ...Ah... why do I work at a place like this...?

4 ...No, it's nothing important. ...Let's just say it's to survive.

5 ...Thank you so much for coming today, Sensei.

6 I never thought I'd see you again, so I'm really happy.

7 ...I'm sorry. I've never been good at expressing my emotions.

8 ...It's hard to understand, but I'm really happy to see you like this.

9
10 But you shouldn't come here anymore.

11 This place isn't suitable for an honest person like Sensei.

12 ...Well then, goodbye, teacher.

3
4 ...Welcome.

5 Thank you for choosing me today...Eh? Sensei...?

6 You came again...?

7 I told you not to come to a place like this again...

8 ...I don't hate you. In fact...I'm happy.

9 ...For now, sit on the bed.

10
11 I'll bring you something to drink now...Eh? Bruises on your body?

12 ...Don't worry about it. It's common.

13
14 ...Ah. They weren't given at the shop.

15
16 It's not a pleasant story to hear. So don't worry about it.

17 ...And don't worry, they won't hurt your face.

18 My father and the man at the shop said that I have a pretty face.

19 If I hit that face, it would lower my market value. So I don't think I

20 'll get hit very often.

21
22 ...When I was still in school, I often got confessed to by guys beca
23 use of my face.

1 ...That brings back memories. I wonder if she's doing well.

2 I'm sorry. I've gotten sidetracked.

3 ...Well, you've paid a lot of money to come here again.

4 Instead of listening to such boring stories, you should just think ab
5 out feeling good.

6 Isn't that why you came here too?

7 ...It's not that hard yet.

8 Hmm...well, I'll give you a blow job this time.

9 Actual sex is prohibited, but my blow jobs are said to feel better th

11 I'm sure you'll be pleased.

12 ...No, if you're pleased, then maybe I'll be pleased...

Gulp, gulp, gulp... haa...♡

...How was it sensei, did it feel good?

... Mm, ah. Sensei's semen. Of course I drank it all.

Lick...♡... Mm, see... there's no more, right?

In the past, I would accidentally spit out the semen that was ejaculated into my mouth, but every time I did that I would get punched or kicked.

Thanks to practice, I'm now good at swallowing semen.

...And unlike other men's semen, strangely, drinking Sensei's semen didn't hurt... no, in fact... I wanted to drink it.

1 Normally I don't even deep-throat blowjobs to the point of vomitin
2 g... but I wanted Sensei to feel good, so before I knew it, I was de
3 ep-throating him.

4
5 ...Fuu. Sensei. Thank you for coming again today.

6 I was really happy to see you again, Sensei.

7 ...But this time, I think it'd be better if you didn't come here agai
8 n... Eh? You'll come again because you want to talk to me...?

9 No, that's why I said this isn't the place for people like you... There'
10 s no point in saying any more... That's your look on your face.

11 ...Thank you, Sensei.

12
13 ...There's still a little time before the end.

14 Hehe, so if you're okay with it, why don't we talk for a bit?

Track 4: Confession to a cosplayer covered in scars ~~Reverse~~ rape cowgirl sexJ

...It's you, Sensei. You've come again.

Ah...the bruise on my stomach... ...Sorry, it's so embarrassing.

When I wear these costumes Sensei always specifies, I can't hide the bruise on my stomach no matter what I do...

...Ah, it's hardly painful now. So don't look so worried.

...Who did it to me? Maybe. Haha...Sensei is so kind... You're genuinely worried about me.

...I didn't intend to tell you because I didn't want to burden you with any unnecessary burdens...

...Ha, if I don't tell you, you'll be really angry.

...These are scars given to me by my parents.

...For example, this scar was given to me as revenge for losing at pachinko four days ago, and this scar was given to me as revenge for losing at horse racing ten days ago.

1 And this scar...is from about two weeks ago when I got kicked bec
2 ause the food I made wasn't tasty.

3
4 This bruise is from an ashtray because I was bad at giving blowjob
5 s...is that okay? ...I get it.

6
7 ...I'm sorry. I didn't tell you that because I wanted you to look like
8 that.

9
10 I told you before, didn't I? Being punched and kicked has been a p
11 art of my daily life since I was a child.

12
13 So I'm used to the pain, and I don't want to do anything about it
14 now.

15
16 Besides, no matter what I do, those parents aren't going to chang
17 e...

18
19 So I've given up on everything.

20
21 ...Ha, you must regret hearing this story, don't you? It's a meaningl
22 ess story that gives you nothing.

23
24 ...Sigh. You probably don't want to spend your money with a dirty,
25 scarred woman, do you?

1 Because of this scar, even if I get a request recently, I often get ch
2
3 anged as soon as I take off my clothes. So there's no need to be c
4
5 onsiderate.

6
7 ...I'll explain this to the receptionist and get a refund...huh?

8
9 What do you mean, it's ok...huh...sensei...?

10
11 Why did you suddenly hug me...and why does your face look so sa
12
13 d...?

14
15 ...I see. You're genuinely sad because of a woman like me...

16
17 Even in this world, there are kind people like you...

18
19 Just knowing that makes me so happy...

20
21 Huh? Why are you suddenly staring at my face, sensei...

...And to tell you the truth, I'm at my limit too...♡

...Look...♡My pussy is also...Hmm ♡It's already so wet...♡

I want Sensei...Can you see me twitching while spreading my female scent...?

Haa...♡It's your fault Sensei...For speaking such kind words to me...and even giving me my first kiss...♡

...So, I'm going to push you down on the bed...♡

...Actual sex is prohibited in the shop, but...I don't care anymore...

Sensei...♡I'm going to hold you like this...♡

Hmm ♡Ugh...H, haa...♡

Sensei's dick...is all the way in...♡

...Huh? Why are you making that face...Maybe you're a virgin...?

22 ... Lol. I never thought I'd be made to cum by my first teacher... ♡
23
24 ... Hm? What did you mean when you said you've loved me for a l

ong time...?

... Ah... I'm in trouble... What have I done...

...Hmmm. That's right. ...To tell the truth, I've known about the teacher for a long time.

It was a cold winter's day when I was still a child.

That day, my parents had beaten me up after losing at pachinko, as they always did, and thrown me outside.

It was so cold, my whole body hurt, and at the time I was cursing the world, wondering why I had to go through this.

One day, I happened to pick up a book that had been thrown away on the side of the road.

My family was poor, and we couldn't afford to buy books. I became so engrossed, I read it over and over again.

I was drawn into the world of the book, the characters, and the story, and before I knew it, I wanted to meet the author who created it.

...Well, that wish never came true, and one day, many years later, someone I passed on my way home from the store said that the au

thor of that book was participating in a nearby event.

I knew I'd get beaten up again if I took a detour, but I didn't care.

I've always loved the author... so I went to meet the teacher who is now here in front of me... and that's how I got to this point.

...I had many ideas about what kind of person the teacher was before I actually met him... but he was even nicer and kinder than I imagined.

...I said earlier that I had given up on everything... but it seems I hadn't given up on you...

...What? You want me to abandon those horrible parents and come live with you?

...Thank you, teacher, those words are all I need to live on.

I appreciate your sentiments, and if that were to happen, I would like to spend time with you too.

However, even though he is such a horrible man, he is the only blood relative I have left. That's why I can't abandon him.

...Plus, that man also owes me money. ...Of course, from some not-so-respectable place.

...That man has probably made me his guarantor, so if I went to liv

1 e with him, I probably wouldn't be able to pay the interest and wo
2 uld be killed.

3 So living with me would definitely be a burden to him.

4
5 Huh... You still want to be together?

6 ...Sensei, you're a fool despite appearances...

7 ...So, if my father finishes paying off his debt, and if you still love
8 me by then... would you live with me?

9
10 ...I see. Thank you, Sensei.

11 I'm so lucky...

12 ...Mmmm... kiss, kiss, kiss...♡

13 Sensei, I love you. ...I love you.

14
15

**Track 5: Something strange happened on the way to a cosplay booth. I saw a girl who was lying in the alley... I wonder if she's okay...
rothel...?**

Hey...that girl who was lying in the alley...I wonder if she's okay...

Hey. She was bleeding and looked bad.

...Should I call the police just in case...?

Well, I'd definitely recommend calling them, but...I think she's probably the girl from that club...?

Ah...there's a rumor that a lot of the girls are working there to pay off their debts or host accounts receivable...

That's right...

I feel sorry for her, but...I don't want to get involved in anything weird, so I guess it's okay to just pretend not to see it...?

I'm sure someone will call the police.

I-I guess so.

Sir, why are you here...?

1 Uh...Ah...blood...is that it? Ggh...Don't worry about it. It happens all t
2 he time.

3
4 ...Cough, cough! ...So don't make that face.

5
6 Ggh...I've been used to pain since I was a child. It's no different fro
7 m before. It's too late now...

8
9 ...But...today was a little worse than usual...

10
11 Apparently, his debts have gotten to a bad point, and he's been dri
12 ven to the brink mentally.

13 He came into the store and punched me.

14
15 ...To top it off, he got fired from the store for causing such a fuss.

16 I guess the store thought they'd gotten rid of him just fine...

17
18 ... Ugh. He was yelling about it, but apparently he's been spending
19 the money I've earned on gambling rather than paying off his debt
20 s, and he lost a lot of money.

21
22 ...He's a really foolish man, even though he's my father...

23 He should have realized with a moment's thought that he would b
24 e in danger if he fell behind on his payments.
25

1 ...My life is just like this after all. A hopeless, dead-end life.

2
3 ...Nothing had changed from the beginning, but I had been spendin
4 g warm times with the teacher and had made a mistake.

5 I thought that someone like me could live with a faint hope in the
6 midst of despair. What a foolish mistake.

7
8 ...Now that I've been fired from the store, I'll probably be killed soo
9 ner or later.

10 I'm not sure if I'll be killed by an enraged father, or if my organs
11 will be removed to repay debts.

12 Ugh... So you need to get out of here quickly.

13
14 If they find out you're involved with me, you'll be in trouble too...

15 What? Come to my house, you say...?

16 W-What exactly are you talking about...? Were you even listening to
17 what I was saying...?

18 ...Guh. Sensei. What exactly are you doing carrying me on your bac
19 k...

20 Ugh... I'm losing consciousness...

Track 6: Ear licking handjob & loose oho face to face cowgirl sex at your home!

Morning? Where is this?

What is this?! Sensei?! Why am I here?!

Who am I...? Is this your house?

I see. You took care of me when I fainted after that.

Ah. Thanks to you, the pain in my body has subsided a lot.

Sorry, thank you.

This is a nice house. It's clean and tidy, and matches the image of a Sensei. It's very different from that dirty house.

Is this hot milk and toast? I can't accept a meal after you help me like that...!

Here I go.

Hmm...rich, rich...ah. Delicious.

Warm and sweet...it's been years since I've had something like this.

Ham...this toast is also...very delicious...

...Hum, maybe it's because you made it for me, sensei. It tastes better than anything I've ever eaten before...

Hum...hum...

Mmm...boom...hah.

...Thanks for the meal.

But more than that, sensei...let me thank you somehow.

You even saved my life. I won't be satisfied until I thank you.

...Hehe, even though you say you don't need a thank you...it seems
like you're expecting something from me here...?

Haha, never mind. I know that's how men are, and more than anyt
hing, I want to thank you, sensei.

...But all I can do is housework and sex.

So at the very least, please let me make you feel good...

...Thank you. Is there anywhere you want me to touch?

...Okay. Now, I'll take off your pants...

...Hmph, you're already so hard...♡

I'll stroke you a little before I put it in...♡

3
4
5 ... I wish these happy times could last forever.

6 If it were possible, I wouldn't go back to that man, and would stay
7 with you like this...

8 Sorry. There's a phone call. I think this is probably my father.

9 Please wait a moment. Hello.

10 You're my father's debt collector, I believe... What? My father is dea
11 d...?

12 He committed suicide after going insane due to the effects of the
13 drugs, I guess.

14 I'm the guarantor for the debt... No, I thought that would happen,
15 so it's not a surprise.

16 I get it. I got fired from the store, so I'll find a part-time job for n
17 ow, and somehow pay the interest.

18 My part-time income isn't enough, so I'll have to sell my organs...?

19 A parent's responsibility is a child's responsibility, huh? I get it.

20 At this timing, huh?

21 This is my punishment for a woman like me saying I want to spend
22 time with you, huh.

1 I'm sorry. I have something to take care of, sir.

2 Thank you so much for being so good to me today, no, for all the
3 good things you've done for me up until now. Sensei... It would b
4 e best if you didn't get involved with me from now on. Forget abo
5 ut me too.

6 ...We'll probably never meet again.

7 So, Sensei, goodbye. Thank you.

Track 7: Lovey-dovey sex in missionary position with a cosplayer who turned ???, climaxing repeatedly and moaning!

... Sensei, it's been a while. A year, I think.

... To tell you the truth, for some reason, I was released from my father's debt collectors right after that.

It seems that someone paid off all of my father's debts.

... I wasn't told his name. Apparently the person who paid off his debts made it a condition that he not reveal his name.

...

... I really, really looked for him...?

After I was released from the debt collectors, I went to Sensei's house and it was vacant.

I desperately asked people around me and they told me he had moved somewhere because he couldn't pay the rent...

... So while I was surviving with part-time jobs and looking for Sensei in town as usual, I happened to meet the man who was the debt collector... and he silently handed me a note with this address written on it.

1 ... I wonder if it was Sensei who paid off his debts that time?
2 °

3
4
5 Is it because you used all your money to pay off your debts that y
6 ou moved out of that beautiful house and are now living in this ol
7 d, cramped apartment...?
8

9
10 No one told me this, but even I can tell.
11

12 ...Thank you, Sensei.

13 I am definitely alive now thanks to you.
14

15 ...It will take a long time, but I will definitely work and pay back th
16 e money you paid for me.
17

18 So, please wait until then.
19

20 ...Eh? Don't worry about it, I can just earn money again...?
21

22 Besides, thanks to me you were able to get out of your slump, and
23 your new work is selling well...?
24

25 ...I'm happy that you were able to get out of your slump, but that
doesn't mean you can just forget about the debt...Huh? What is thi

s box?

...Do you want me to open it...?? Okay.

...Is this... a ring?

...Sir. Even I know the meaning of this ring.

...Maybe you gave it to the wrong person?

...Or maybe you want me to deliver it to the person you love?

...Huh? ...You were thinking of giving it to me if you ever met me a gain...?

...I didn't know that you had moved.

...So there was no guarantee that I would see you again, you know?

Besides, over a year has passed since that day. Could it be that you've been waiting for me all that time?

..... Ha, you really are a fool, even compared to how you look... To give something so kind and warm to someone like me.
...Is it really okay for me to accept it?

If I accept something like this, I'm sure I won't give it back even if

1 you ask me to?

2 ...Is that even okay?

3 ... Mmm... slurp... puha... ♡... I see, so this is your answer... ♡

4 ... Then I'll respond to those feelings... ♡

5 ... Ham♡ Slurp, slurp, slurp, slurp slurp slurp slurp ♡

16 ...Okay♡ I don't mind either...♡

17 ...I haven't had sex with anyone since that day, so don't worry...♡

18 ...What am I saying? I'm a dirty woman now...

1 ...Ah. I know I'm stupid, but... It seems like I want you to think I'm
2 at least a little pretty...

3
4
5 ...Ahem. Well then, I'll go to bed.

6
7 ...Teacher. ...Well, since it's been a while since we last met, I want t
8 o do it in missionary position so I can see your face... is that oka
9 y...?

10
11 ...Thank you.

12
13 ...Okay. Wait a moment. It's been a while since we last had sex, so
14 I'll loosen my pussy a little so that you can insert it more easily.
