Huh, me? Um, sorry. Could you ask that again?
Uh, what, there's suddenly a weird screen in front...

(催眠開始)

Hypnosis initiated. I will now begin the hypnosis demonstration.
What? What is going on?
Confirmed, thank you for your command, Master. In order to demonstrate my hypnotic state I will now strip off all my clothes.

あれ、勝手にからだ...ってバカバカ！ You idiot!

What are you making me do?! Do you have any idea what will happen if my university finds out about this?!

いやっ嫌! Don't touch me!

I was assigned here as a pussy officer... And I was about to give everyone my pussy report...

Why is everyone pulling down their pants?

Um, whatever. For the report, I need everyone to clearly see my pussy. Can everyone see when I stretch it out with my fingers? It's hard to see? How should I position myself? Can I sit on the desk? Thank you. I'm sitting on the desk with my legs put up in an M shape.

Everyone can see my pussy now. Please feel free to observe my pussy hole as it lewdly drips out my pussy juices, and take a look at my clitoris while it's still small and withdrawn.

Mm, just brushing it lightly with my fingertips makes me moan. You want me to make my clitoris erect? Is that an order? Understood. It's gotten a little bigger just from being watched, but it's hard to tell so I'll peel back the skin and reveal the sensitive parts. ふーっ..... My clitoris has gotten fully erect just from all of you leering at it. I usually use my clitoris to masturbate because it's my most sensitive part. It feels so good when I push it or twist it. Sometimes I cum over and over. Yes sir! An order? Very well, I'll start masturbating by pushing on the back of my clitoris with my finger.

I can't stop masturbating♡ Aa, I hate it, I hate it... That's a lie. My pussy feels so good. My hips are moving on their own♡ I can't hold it back! I'm cumming, I'm cumming...! I came. I came!!

It hurts to touch my pussy right after an orgasm but my hands won't stop... You guys are controlling me with hypnosis aren't you?! Hurry up and stop! Stop, please! My pussy is tightening up! Agh, stop, I'm going to cum again♡ No♡ I'm cumming...

An order? There's a big dildo on top of the desk... It's as big as my arm and the tip is very pronounced... You want me to use this? Y-Yes Sir!

I'm going to straddle this dildo and destroy my pussy. No matter how tough it gets, even if I cum in the middle of it, I'm going to do 10 nonstop squats on this dildo. If I do cum, the count will reset and I'll have to start over. This way I'll become a pussy officer who can handle any cock! This is close to torture for my virgin pussy, but I'll do my best to make sure all of you have a good time. Please watch my absurd orgasm denial masturbation show to the very end!

Without further ado, I'm going to put it in. Nn, the tip is catching on my insides and hurts.
ふっ, deeper...

ふーっ, I'm sorry for taking so much time. It's hard holding back my orgasm... I might come at any moment from the walls of my vagina being forcibly pushed open.
うう, it's in. My insides are filled up with this savage dildo. I'm going to start the count down,

Ten... Agh, my insides are getting gouged out... Drop my hips again,
Nine-ugh?! I can't handle I'm going to cum?!?!

Ahhh, I squirted in front of other people... There's a puddle on the desk and floor. It's so embarrassing, うう... I didn't know putting it inside would be this violent and feel so good. And even though it feels unbearable, my hips won't stop moving on their own. Like, my vagina keeps squeezing itself around this fake cock as if it's begging for more. Ah, the camera... Are you recording this? Yes, I understand. I also want everyone watching this video to get a good look at my disgraceful body!

Ten...

Nine...

Eight... Ahh, I'm gonna cum I'm gonna cum I'm gonna cum. うう... This is bad.

Hold it in, hold it in...

Seven...

Six..., ふーっ, I feel like this jumbo size dildo is going to force apart my insides and remake me from the inside-out. I wonder if sex feels this way too. うう, my G-Spot...? My G-Spot is getting crushed with incredible force... I will push through...

Five..., Halfway! I'm halfway there! Ah-, crap. I'm gonna cum if I focus on my pussy. D-Don't tighten up! やっDon't rub me so deep.

F-Four!!!! おっI'm gonna... No, I won't orgasm... M-Master. This might be too much. M-My hips are already trembling, ふーっ, if I relax at all then the dildo mercilessly attacks me at my weakest spot, the very back of my pussy, my cervix. I'm at my limit. I'm sorry! I'm cumming?!

あっ, I'm still cumming from the afterglow, おっI'm cumming, I'm cumming... I apologize for not continuing the orgasm denial to the very end. I'm truly sorry! I'm sorry for having an immature pussy that's weak to pleasure!... You want me to spend the rest of the countdown rubbing my nipples? I don't have to hold back my orgasms this time?... Thank you very much!!

Rub my nipples... rub rub... rub rub... Meanwhile, I'll put in the dildo all the way in again-おっ I'm cumming...

ふーっ, it feels so good squirting with the dildo inside me... I'll start moving now.

Three..., my nipples are tingling and my head is going crazy! ふーっ, this feels way too good.

うっ, I'm having a soft orgasm!

Two...

One, one, one... I want to cum, I'm going to cum, i'm cumming I'm cumming I'm cumming

Zero, zero, zero

はーっ、はーっ。Thank you for watching...

Mm, thanks to the dildo loosening me up, I can take a cock pretty easily now. Please move however you like. My purpose here is to be raped by you, my masters.

I'll take you all in turn so please wait. Aren't you an impatient one, rubbing your cock on my cheek. You're going to make me want to start sucking on it if you keep shoving it so close.

Mm, did you like my mouth pussy? You're spilling juice all over me, ふふ。

Are you about to ejaculate? Mm, oh I'm sorry. I'll make sure to tighten up my pussy and squeeze out your semen too. I want you guys to cum into my upper mouth and my lower mouth at the same time! Please dominate my throat and my pussy, masters.

ふーっ、I came a little bit just now. あっ I'm still trembling. S-Stop! If you piston me so hard right now, I'll...!! んう

Are you at your limit too, Master? Please let it out whenever you want. I'm ready to be impregnated. Cum, cum, cum! I'm cumming too!!!

はっ、I'm so happy I came together with you, Master. Thank you for using my pussy. わぁ、there's semen dripping out of my pussy. Alright, next Master, please go ahead...

You've prepared this outfit just for me...? You got it because I'm ovulating today? Thank you very much, Master. This cow bikini is so small my tits are practically popping out. Is there even a point for me to be wearing this? And this butt plug tail... It makes me feel restless. You want me to get on all fours? Okay...

This position is tough because the butt plug is pushing down on my vagina. If someone entered me right now...ひっ

Moo♡ I was ordered to sound like a cow so I can't hold back my dirty moaning. T-This cock is amazing... cock, cock... moo...

Ahh, if I'm a cow then you should milk me... Could you please squeeze my erect nipples? Moooo♡ Wow♡ This is too amazing♡ My nipples feel too good♡ I love it when you pull on them roughly♡ I love it♡ Mooo, お♡ My nipples are going to make me cum!

Mooo, I'm a slutty cow who squirts instead of making milk, I'm sorry moo♡ If you impregnate? me, then I'll be able to make milk too, hehe. ひん♡ I'm sorry, cows can't talk like people, moo♡ Um, so, I would prefer if you didn't pull out the plug all at once... MOOO♡

Ah, stop, don't put a dick in my butt as well! I won't be able to stop my dirty moaning, moo! Are you going to impregnate my butt too? I'm cumming again! Moo♡ (絶頂)
If I have this kind of sex while I'm ovulating, I'm definitely going to get pregnant♡ おっ、I'm going to become a mommy cow! ふーっ、I'm going crazy having my nipples played with while both my butt and my pussy are violently rammed into♡ むふーっ、My pussy is getting crushed under both these dicks♡ おおお The thrusting is getting faster... Masters♡ Will you fill up this slutty cow's pussy and butt with your semen? I want Masters' noble sperm to grace this dirty cow slut's pussy, moo♡ Please inseminate me♡ おおおっ I'm getting impregnated! Preggers♡ I'm getting impregnated from both my holes getting creampieed moo♡ Moo, I'm cumming♡ I'm cumming moo♡ Mooooooo♡

ふーっ、おっ I'm going to cum again from the afterglow! Moo... Your seed has been planted, Master. Moo♡ おっ、my gaping butt has been filled in with the plug tail... You put a lid over my creampie. I'll close off my pussy with this jumbo size dildo. ふーっ、My pussy is being filled all the way up... Mooo...♡

I'm cumming again... はっ、My pussy's been closed off so the semen can't get out. Okay then, I'll spend the rest of the day like this, moo...
