4 Welcome back, Sensei.

5 I've been waiting for you.

6 Today's my turn on duty.

7 Hm... You look kinda tired?

8 Oh, I see... There was trouble at Trinity this morning, and you had to
9 handle it.

10 That must've been rough.

11 Ehehe... Somehow, I had a feeling you'd come back exhausted today...

12 So, just in case, I made my special remedy... Tomato beef stew.

13 If you eat this before starting work, it'll perk you right up from deep i
14 nside.

15 Come on, dig in without holding back.

16 ...lhhhhhi♡

...Phew. That wraps up today's work, huh?

Good job, Sensei.

Clearing that mountain of paperwork in half a day? Impressive as always.

You looked so cool, working hard for your precious students.

...Hehe, you seem a bit sleepy?

You've been at it since morning, so it's no wonder.

...Ah, yeah.

How about I give you a lap pillow, something I loved doing in our past life, to help with your fatigue?

Come on... Lay your head on my lap.

No need to hold back.

Eh? A teacher can't lie on a student's lap...?

...Ihhi.

I know all about it.

How you got a lap pillow from that girl from Abydos before...

And not just that, she even cleaned your ears, right?

Ihi... I know everything about you♡

1 ...From our past life and all♡

2 You accepted her lap pillow, but you're turning down mine...? Does th
3 at mean... sniff. You hate me...?

4 Ihi... Ihihihihhi...♡ You came to my lap after all, Sensei.

5 I'm so happy.

6 ...Eh? Those tears just now?

7 Of course they were acting.

8 Ihi... If I didn't do that, you wouldn't come to my lap.

9 My acting skills as a popular voice actress... Pretty good, huh?

10 ...Alright, while you're on my lap, I'll stroke your head and whisper to
11 o.

12 I know you loved my whispers and lap pillows from our past life, so j
13 ust relax without thinking about anything else.

14 Ihihi...♡ My whispering voice gets rave reviews on ASMR sites for he
15 aling and better sleep.

16 So if I whisper to you... Ihi...♡ Your fatigue will blow away for sure.

17 There, there.

18 You're such a good boy, Sensei.

19 You always push yourself too hard... That's why.

20 Right now, just focus on the feel and warmth of my lap.

21 In front of me, bound by our past- life connection, you can spoil your

1 self as much as you want♡

2 Hehe, there there. There there.

3 Good boy... Good boy...♡

4 There there...

5 There there...

6 Good boy... Good boy...♡

7 Yeah... I'll blow on your ear too♡

8 ...Fuuu♡

16 Hm...?

17 Sensei, why are you squirming all of a sudden?

18 You seem worried about your lower half... Ah...♡

19 Ihi... Ihihihhi...♡

20 ...Sensei♡

21 Your pants look kinda bulgy.

1 Wonder what happened?

2 Ihi... Just kidding, I know.

3 You got excited from my lap pillow and whispers, and got hard♡, righ

6 weak as ever from our past life...♡

7 Ah... You wanna say it's because of the aphrodisiac I put in the ste

9 That you're not excited by a student's whispers, just the drug's effect.

10
11 Ihihi...♡

12 Yeah, right♡ If the respected Schale teacher got hard just from whis
13 pers by a gloomy, skinny girl like me, that'd be a big problem♡

14 If that were true, you'd just be a weak-eared lolicon maso...♡

15 But... Too bad♡

16 What I put in that stew was just a mix of common spices, my special
17 blend...♡

18 Ihihi... I don't play with food like that...♡

19 So no aphrodisiac or anything you imagined.

20 ...Which means, Sensei♡

3 Proof is... Look...♡ Your dick is... rock hard....♡
4 I haven't even touched it, just took off your pants, and it's already so

9 If that got out to Chronos students or something... Ihihi...♡

12 I'm a girl with deep feelings, so I'd never leak my beloved Sensei's se
