Kusu.....☹ Sen- sei, dost thou know...?♡

This scent...♡

Fufu... Good♡

Today is the custom of conveying feelings with chocolate to important ones, thou knowest?

Actually... In the cacao nib tea earlier, I added a "trick"...♡

Besides promoting blood circulation and recovering fatigue... I added another effect.

Kusu kusu...☹ What, no need to fear...♡

Come, Sensei...♡

From now, I shall push thee down...♡

Enjoy today with all five senses...♡

Kusu...☹

Ah, easily pushed down...♡

That is good...♡

Sensei, think of naught... Simply focus on feeling me.

...This is my room, so if aught happens here today... It leaks not outside, nor shall I blame thee.

...For eternity.
