

1) Your succubus childhood friend stops by...

Gooooood morning!

Lily-chan is here to pick you up.

Hm? Ah, you're still asleep...

How long are you gonna lie there?

You promised to hang out with me today.

Well, there's still some time I guess.

Hey, are you listening to me?

No pretending to sleep, now!

Having your cute childhood friend wake you up
must make you so happy, huh?

Heheheheh.

Although, supposedly I look
pretty good to human men, too.

I may not be all that tall,
but I've got confidence in my big boobs...!
I'm always ready to squeeze that
delicious stuff out of you~! You're so lucky~!

...Hey, why are you ignoring me?

You just woke up.

Our eyes met. You still wanna go back to sleep?

Hm? What's wrong?

I see, so you're telling me
we didn't have plans together today?

Heheheh. That's okay. I promised, didn't I?

I said we'd hang out on our day off, right?

I didn't exactly wait for your answer, though.

Anyway, we're hanging out today! Got it?

Ah, hey! Why are you ignoring me again!?

Is sleeping really that much more fun than playing with me?

So you're not getting up no matter what happens~?

Mmmm...

I see!

Then no matter what I do to you,

you'll stay asleep, I guess.

Interesting. Very interesting...

Fine with me! Just lie right there.

If that's how you wanna be, then no matter what I do, you can't get up, okay?

Hee hee hee!

Hmph...Ah...

You won't wake up, even with me on top of you.

Like this...

Heheheh. You won't wake up if I mess with your ears,
and won't even react, right?

Ahaha!

With a part-succubus like me as your opponent,
are you sure you can hold out?

...Well, you can ask me to stop,

but I'm not gonna... Hehehe.

2) Your succubus childhood friend's heavy cumsqueeze...

Hey, have you ever...

...thought about me while touching yourself? Heheheh.

You don't have to be embarrassed at all.

It's only natural that you would,
since your childhood friend is just so cute.

The only sad part is... I wish I could drink down all that cum you shoot out.

I mean.... yours is just sooooo thick.

Every time I squeeze it out, it's hard to not
want more and more.

Ahaha. Sometimes I've been a little rough about it too, huh?

Did you jerk off while thinking about it?

Heehee... Maybe you haven't noticed, but...

I can tell... if you fapped the day before

Succubi are sensitive to the smell of semen, you know. Heheheh.

Ohhhh, I see you're pretending to sleep again...

Not bad, not bad.

You haven't lost your nerve, have you? Heheh.

Then maybe next... I'll use my other hand. *kiss*

It feels good when someone... licks deep inside your ears, huh...?

Mn... Hah... ahh... hee hee hee...

So you think you can keep quiet, huh? How cute...

You're shaking and twitching so much, though...

Ha, whew... your ears,

it's like my spit is melting them...

I've heard that real succubus spit
has an aphrodisiac effect, but...

I wonder if mine does... Eheheheh.

Nmah... Hah, hah, hah... hey, does that feel good?

It does, doesn't it? Heheh.

You're getting more sensitive just from getting licked...

It really turns me on to see that...

Heheh... think you can hold out? Heehee.

By the way... Your dick is twitching.

I can tell, you know?

Heheheheh...

Your dick has gotten so big...

Heheheheh...

I was thinking I should lick your other ear, but...

I guess I don't need to anymore...

You're really easy! Hehe.

You really were trying hard to endure it, huh?

Too bad your body didn't get the message...

How cute...

Are you sure you weren't hoping for sexy times?

Heheheh... It's nice how easy you are to understand...

I'm all ready... So let's keep it going.

You've been saving it up for me, haven't you?

Thanks.

That's so nice of you...

Heheheh!

Ah... Your dick's already so hard...

Gulp...

Looks like I'll have to squeeze it all out, just like before...

Heheheheheh.

Before we start... Let me have a look at that forehead...

Eheh, heheweheheh...

Oh my! What's this?

Have you gone a little limp? Heheh, you have, haven't you?

This is... sort of like my ritual before I have my fun.

It's like a good luck charm that makes you cum lots more.

Or something like that!

It's also... a little like a curse.

Or maybe not?

Heheheh... So if your body feels a little heavy,

and you feel like you can't move...

That might be why

Anyway, little details aside...

Yep, let's get undressed.

Ah, oh no... Wait a second.

Your dick looks like it's about to explode.

You sure are motivated.

Heheheh. Oh? That's odd...

If you don't want to have sex with me, what's with that boner?

Could it be that even though you're saying no and trying to resist...

You were actually expecting sex?

Ahaha! What's up with that? You're so cute

That dishonesty really makes me excited...

Telling me you weren't waiting to have sex...

even though you were so horny.

Heheheh. At least your body is honest...

Your body wants to give me semen.

I'm so happy... Heheh, heheheheh!

Whoops, sorry... Didn't mean to make you wait.

First I'll jerk your dick by hand, okay...?

Ah, ahh. Wow... Mn.

You're rock-hard.

Hehehe, and it's sooooo hot...

Hah, hah, hah hah...

Ah, it's really... delicious... Hah, hmn... heheheh.

All I did was lick your ears,

and you're already so solid.

Your dick...

is just as easy to understand as you are. It's a big help.

Heheheh.

Fap fap, fap fap... Does it still feel good when I touch it really gently?

Or should I squeeze a little tighter... Mn.

It might hurt if I don't give it some stimulation.

Heheheheh...

It's okay.

Just leave your dick to me.

I'll squeeze you lots. Heheh... And every time I do,

it kind of feels like I'm getting better at it...

For example...

Phwoo...

Heheheheh...

Your dick will be really happy...

If I jerk your dick while stimulating your ears...

Hah, hah...

Or if I lick your ears while jerking your dick...

will it start to twitch from the sensation?

Heheheh, your reactions are so honest,

I guess that means you're really excited to do it with me...

It makes me want to see your face turned on even more...

Eheheheh.

It's fun to see how you react to getting teased
in different spots.

You're really naughty...

Ah, I'm turned on now...

So I can get loads of your cum... Hee hee.

I'll do my best.

Ah... hah, hah, hah... heheheheh...

This ear didn't get licked earlier, did it...?

I'll give it lots of free kisses.

I have to... Eheh.

Ahahaha. You're really cute.

Did you let your guard down? It tingles, doesn't it?

Heheheheh Hah... huh... ah...

Your dick is really full of energy, too...

Phwoo... Eheheh. You can feel it, right? Right?

If this keeps up, you're gonna let out some really thick cum...

But I'd rather you let it out in my mouth or my pussy...

I mean, it'd be a waste to spill any... right?

Ah, but in your case...

it might get you hard again

to watch me licking your cum off my hands.

Personally, I'd be happy if you came multiple times, but...

What do you think? Wanna try it?

Heheheh... Heheheh... Were you imagining it?

Such honesty...

Ahahaha, why don't we get started?

Ahahaha, I knew I'd like your reaction.

You were slacking just now, right? Your dick
just sprang right up...
Heheh, heheheheh! Ah, what should we do about this?
I want to taste that thick first cumshot directly...

It'd be a waste to let it spurt all over...
Maybe I'll just suck it all up. Kidding...

Hee hee. Your dick just twitched hard again.
It must feel good when I stick my tongue deep in your ear, huh?
Heheheh!
It's more sensitive inside, what with there being more nerves and all...
Maybe it's enough to just tickle you like this?

Give in to the pleasure even more...

Hah, hah, hah, hah... phew...
That's such a cute reaction...
You can't move, but you're twitching...
Your dick is about to burst...
Ah, I see... Since you can't move,
your senses are more focused, I guess?
Maybe your heightened awareness is making you react more strongly? Hee hee.
But in your case, I don't even have to do this
to get lots of cute expressions out of you...
Hah... Heh... Eheheh, heheheheh...
All I'm doing is teasing your ears while I stroke you...
But I'm getting pretty hot myself.

Hee hee. Guess I'll get undressed, too...

Hmm... Ah, it's nice and cool...

Oh gosh, what are you looking at?

You like my tits, don't you?

My chest is 110 cm... A very soft I cup.
Ahh, what a naughty face you just made.
I was starting to think you weren't interested, you know?
But you're really into this, huh? Heheheh.
You're pretty quiet.

Ah, that's it. I've decided.
If you like my tits so much, then how about
I use them to take care of your dick?

There we go...

You didn't cum from just my hand alone.
I was holding back, though...
Heheheheh... Don't worry.
I'm gonna take really good care
of your dick using my tits.
And while I'm at it, I'll be sucking away, too...
Make sure to give me lots of semen...

It's so hot...

Hot enough to burn...
Heheheh!

Ah... Oh wow...
It's so hard... so hot... It feels amazing between my tits...

How do they feel?
Haha, they're a little cold, aren't they?
I thought the temperature difference
might add to the pleasure, but -- Ah, ah...
Wow, amazing... Rubbing you between my tits
has produced a look of desperation on your face...

Seeing your face like that gets me hot...

Your dick...

might be hotter, though... hee hee hee.

On top of that, the stuff you've already let out
is making my boobs all sticky...

Your dick is really trembling... Hah, hah, phwoo...

Does it feel good, having it stuck between my tits?

It does, right?

Can't hold it in anymore, can you?

Heheheheh...

You can't cum yet, okay?

Make sure to cum inside my mouth...

Your dick is twitching inside my mouth...

With me sucking your dick... while it's rubbing
between my tits, you'll probably cum soon, huh...?

Eheheheh. You're sensitive, after all...

Ah... you don't have to hold back. When you cum,
I'll be sure to get all of it in my mouth.

I'm gonna squeeze it out to the very last drop...

Hey, does it feel good? Like the pleasure will never end?

Your dick is really amazing.

The tip is bulging so much...

And the precum just keeps on... ah, ah... heheheh.

You're really into this, huh...?

Ah... it's been coming out a little at a time but...

it's so delicious...

Your balls are just filled with sticky cum,
and it probably tastes even better...

I'm horny, too...

Let my tits and my mouth make you feel good...

When you finally cum, it'll feel so good
you'll start pumping your hips...
Heheheh I'm really looking forward to seeing you like that...

The precum never stops... Eheheh.

My tits are... hmmm...
All slick with spit, sweat, and fluids...
Eheheheheh, you must be about to cum, right?

Go ahead. Hee hee, I'll take it all...

Gonna cum already? Gonna pew pew all your cum out?
Eheheheheh...

You're bouncing your hips. I thought you couldn't move... Ah.
Hah, hah, nnm... mmm. It's like...
You want to cum... and can't help yourself...
Let out... lots.... nnmm... of cum.
Give it to me! Give it to me!

Just as I thought...
It's so thick... Amazing...

Delicious.... Mn, ahh...

Heheh, heheheh...
Delicious as always...
Eheheheh... Thanks for feeding me.

3) Payback sex with your succubus childhood friend...

I wonder if the spell is still working...

Wanna go for round 2? Just kidding, ahahah...

W-wait, what? Hey, what are you doing?

Wha...wha... ah...

Aha, ahahahaha... Huh? How did it wear off...?

You broke the spell with sheer willpower? Seriously?

I didn't know you could do that... ahahahaha...

So like, are you mad?

Yeah, but we always do that...

Can't you just be cool about it? I mean...

Maybe I'll just recast the spell...

...Eek!

Wh, what? You're actually mad? I said I'm sorry...

I mean, maybe I did go a bit far today, but...

Uh... hey, you're pretty strong...

You don't have to be so rough... I won't run away...

I'll apologize... I'm really sorry.

So please, just let me go... Ah, yeah,

I'll do anything you want. Any one thing...

Mmn!

H-hey! You can't just force a kiss on me! Ngh!

W-what are you thinking?

I... I said no!

No... I said no...! Hah, hah, hah...

When you kiss me like that... I...

Your kisses... are getting... softer...
It's fine... if you want to go harder...
Do you... like it softer...?

It's like how lovers kiss... so it's like, you know...?
It makes me want to do it more. Can I?

I want you... to feel me...

More... Let's use our tongues more...

I like kissing you like this... Ha, hah, haaah...
I can feel it... in my brain.
It's like your tongue is stirring me up.
I'm already wet... Mn, hah, hah, hah...
I love you, I love you... So let's do more...
Let's... feel even better together.

I really, really love you...
I love you a lot...
I have... for a while now... so...

Oh no... Now I've said it once....
I can't stop saying it.
So...? How do you feel... about me...?
Am I just your annoying slut of a childhood friend? Or...

(kissing)
Hah, hah, hah...
Heheheh... I see... It wasn't just me, then... hee hee...
So does that mean you'll let me go?

Huh? Ah! Wait...
Y-you can't... take my underwear off now...

Uhh... You kissed me so much...

I'm starting to feel it... Nn...

It's kind of embarrassing, but... Eek!

Ah, no... I said don't touch me...Mn!

If you do, I'll... eek! I'll... Mnn!

Uh, ah... no... I said no...

Your dick... is hitting me down there... eek!

The rubbing and the pushing... Stop, please...

I said stop...! Eep!

You can't plunge all the way in at once! I'll... No! Mn, ah!

No way, there's no way! Gah!

Stop thrusting... stop!

My pussy... hah, hah... can't take it! Ngggh!

It's going in and out... It feels so good... Ahh

I can't... keep quiet...

My body... is moving on its own...

My body... feels so good...

Even though... you're forcing yourself on me!

It's like... my body is happy... Nn.

Oh my god... hah, hah, nn! Nnggh!

No, I can't take it...

If you keep doing this... Heegh I'll, I'll... nng!
I'll cum... Guh, nnngh!

Wait... wait... Hey, wait just a second...
Hang on... hah, hah... ughh...
Just listen to me... for a second... hah, hah hah...

After that, we can start again...

So like.... hah... hah... nng... I... Um...
I've liked you... for a long time now...

This might be a bad time to say it, but...

I'm sorry... for being so much trouble...
I'm always a bother, aren't I...? Nng... hah... hah...
But like... I've always wanted... to do this with you.
It's true...
When we have sex, it's always
so one-sided in my favor...
I'm actually really happy
that you initiated it this time...
Use me to feel good some more...

It feels so good, I'm going crazy... Guh, nn!

I really love you...

It feels so good... I'm so happy... Nng!
I can't think straight!

No more... I can't... Ahh, hah, hah...

My succubus blood is taking over...

I'm gonna cum... from sex...

No more... Let me go...

I promise... guh!

I won't forcibly squeeze you for cum anymore... Nnng!

I'll be a good girl! Ah, ah, ahh!

I won't do anything like that anymore...

Please, let me go!

I promise...

I'm sorry... Sorry... nn! Ah, ahh!

I'm cumming, I... I'm already cumming...!

I'm cumming...!

My base instincts want... want you...

Your dick... Heegh! Ahh!

My hips won't stop... Nnn!

I love you... I love you! Nngh! I can't stop...!

I really love you! Guh!

It's coming... It's a big one!

This feels so good...!

I can't think about... anything but you..!

I'm cumming! I'm... I'm cumming!!!!

I'm cumming!!!!!!

My womb... is full... of your semen...

It's... dripping... ga...

Your cum is flowing inside... Amazing...

Hah... hah... hah... hah... It feels so good. It's delicious...
Ah... I'm so happy...

4) Pillow Talk

Hah... hff... huff... ahh... I might... be okay now...

No I... um...ahaha, hahahaha.. You beat me...

I was caught up in the sex...

And said some stuff, huh... heheheh...

Thinking about it... it was pretty embarrassing...

Even so... Um... it's all... how I really feel...

Things were a bit overwhelming, but... uh...

Everything I said... was true...

Ahh... I finally said it...

Hahaha... so like, all that stuff we've done up until now...

was mostly me having my fun with you...

And squeezing you for cum even if you resisted...

It wasn't because I don't like you...

It's because I like you so much, that I couldn't
really explain my feelings. So it got out of hand...

I'm really sorry about that.

Eheheheh... Hey, so.. you came a lot...

So we don't have to have sex anymore...

Can... can I kiss you?

Or rather, I'm gonna kiss you...

Ah, oh my god... You're wrapping your tongue around mine... It's so good...

I'm happy... I really love you...

This is great... Hah, nnh...

I want to keep kissing you... Hah, hah, hah...

Mnn... Unless you tell me to stop...

I might just keep going, you know?

Hah... hah... hah... Nnh... hah...

You're so... so calm... Hmph...

Maybe it's because of how we'd done things before,
but now it seems like you're calm, or feel like you've won...?

I might be a little annoyed...

Heheheheh... Nnn...

Hah... Eheh... heheh...

Thinking about earlier... your ears are pretty weak, aren't they...?

It felt really good when I teased them. So...

Now I'm going to give your ears a really good licking.

Have lots of fun...

Heheheh, that's okay, right?

If you don't like it, I'll stop right away...

If you're not into it, I won't be happy either...

If it makes you feel good... That alone

would make me happy...

So that's why...

Hah, hah... I want you to feel good through your ears...

Amazing... You're trembling...

You're reacting... Wow, I'm so happy...

You worked pretty hard. Aren't you tired?

Maybe you need to relax with some ear licking...?

But what will we do if your dick gets lively again...?

Heheheh... If you're tired... then you can just go to sleep now...

I won't mind at all...

Since you did sort of just wake up...

Sorry... for making you exercise so much after just waking up...

But you always work so hard... Heheheh...

Today, you came so much...

inside my mouth and pussy...

This might be a little odd, but...

It was a bit different... Instead of me doing the milking,

you made a move on me... and maybe that's why it felt really good...?

You don't wanna answer?

Hm? Oh, you're just tired...?
Maybe because I was licking more gently than usual...
So you got sleepy...
Heheheheh... That's not so bad, either...
Instead of being naughty, we can just relax...
Why don't we fall asleep like this...?
Then when we wake up, we can go out, okay?
This time, it's a real promise... Is that okay?
Heheheh... Before we leave...
we might have to take a bath, though...
Together, that is... heheh.
That sounds like a lot of fun... Ahh...

For some reason, you looking so sleepy is making me tired, too...
Heheheh...

Want to hold each other while we fall asleep?
Ah... or maybe it'd be better to hold hands...
It's not too uncomfortable... is it...?
Hmph, hey... are you listening...? Heheheh... Honestly...
Good night...

End
