

Title: DEKIAI ~ Burning Devotion Underneath the White Coat ~

Bonus Track: A Forbidden Taste

Scenario:

The two opens the door of their room at a love hotel. She looks nervous and keeps quiet. He reaches out to hold her hand and asks...

“What’s the matter?”

“You’re awfully quiet...”

(She glances at him and smiles nervously)

“Ah, I understand.”

“The truth is, it’s my first time too.”

“To come to a love hotel, that is.”

(She giggles, her eyes wandering around the room)

“I know, right?”

“I also feel restless when I come to an unfamiliar place.”

“It’s normal.”

<Nanase takes their luggage>

“Ah, I’ll put our bags on the sofa.”

<He looks at her every movement and laughs>

“Just now, you look like a cute animal when you’re moving around.”

<His eyes turn dim, showing his intentions>

“How charming...”

He gently pushes her down on the bed, his body on top of hers, admiring her beauty and enjoying her defenselessness...

“No matter how many times we see, touch or kiss each other...”

“It’s still impossible for me to control myself...”

“When it comes to you...and especially when you look like this in front of me, while we’re alone together...”

<He inhales deeply>

“Somehow, it’s kind of bizarre...”

“Since we’re already dating...”

“But I still feel so uneasy that it makes me want to hold on to you, without ever letting go.”

“Just like now...if I could only stop the time, and keep you here...”

“So that no one would ever be allowed to see your face...”

“I’d definitely do it, if it was possible.”

Delicately, he draws their faces closer, inhales her scent and kisses her lips. She closes her eyes and feels his warmth, thankful for the affections she’s being given...

“My chest starts to hurt just thinking of the possibility that I would hear you utter somebody else’s name using these lips...”

“It’s precisely why I feel the need to mark you, leave an imprint...”

“In your body, heart and soul...”

“Because you’re mine...”

“It would be better if you’d feel as possessive...”

“So you’d also cling closer to me...”

“I love you...so very much...”

With a gentle look, he gazes at her lovingly while leaning his forehead against hers. He gives a soft peck on her lips before kissing her deeply. His sighs show his impatience and immediate want but he tries to behave a bit, allowing her to get into the mood...

“Am I being too fast?”

“I’m sorry, love...”

“I just couldn’t wait...”

“I wanted to do this as soon as we got here...”

That very minute, he unbuttons her blouse, grazing his hands on her breasts as he goes down until the last button. He then unfastens her skirt, taking it off immediately whilst maintaining eye contact. He holds his breath as soon as he saw her naked nipples...

“Delicious looking nipples...”

“Look, even with just a touch from my fingertips, they perk up straight away...”

<He pokes them and naughtily clamps each nub with his fingers>

“Let me play with them...”

(She opens her mouth and moans start to escape her)

“It feels good, right?”

“Then I’ll do better...”

Lustfully, he swallows one nipple and gives it some gentle sucking. Using his tongue, he lightly drew circles around her areola before flicking on the erect bud a few times. He peeks at her and saw her watching him do all the action. He giggles and teases her more...

“You’re so lovely...”

“I wonder if your pussy is enjoying this as well...”

<He slithers right down to her crotch and traces his finger up and down her labia>

“Oh gosh...it’s sopping wet already...”

“Ah!”

“Can you wait here a little?”

<Nanase stands up and goes to rummage through their belongings>

“Hmmm...”

(She watches him and chuckles at his serious facial expression)

<He finally finds something and hides it behind his back>

“Please close your eyes...”

<He carefully puts on the blindfold on her>

“Open your eyes now...”

“Hahaha!”

“You can’t see anything, right?”

(She chuckles and tries to look for him)

“This time, it's an eye mask.”

<He leans closer to her ear>

“Since your body is very sensitive...”

“I want you to enjoy what’s about to happen...”

<He turns on the vibrator and whispers once more>

“I’ll get you off...”

“I told you we’ll use toys next time, remember?”

<He brings the toy on top of her pussy, playfully gliding it directly on her clitoris>

“This is me keeping my promise.”

“I want to keep seeing your reactions...”

“So, what do you think about this vibrator?”

(She grabs the sheets as her legs wobble, unable to answer)

“The vibrating sound somehow feels comforting, isn’t it?”

<Nanase smirks a little>

“So it’s a ‘sheet-grabbing’ kind of pleasure, huh?”

“And it looks like you can’t even give a proper answer except for panting...”

“It makes you crazy, right?”

“Then how should we do it?”

“Do you want me to press it on you?”

“Or do you want me to keep gliding on your clit?”

<He flashes a sinister smile>

“I wonder...is a stronger intensity much better?”

<He presses the vibrator firmly on her clitoris and rubs it steadily at the same time>

“Don’t try to remove it even when you think the stimulations are too much...”

<He seduces her and whispers on her right ear>

“I told you...you should just enjoy it and cum a lot...”

A massive euphoric feeling is surging and it overwhelms all of her senses. Her spine tingles and at the peak of the stimulation, a torrent of cum cascades from her pussy onto the floor...

“There you go...that’s a lot of juice...”

“How was it?”

“Felt great?”

“That’s a nice answer. Honesty is a good thing.”

“Then, let’s try the next one.”

(She lets out a surprised squeak, feeling confused)

“Eh? Yes, we have another toy to try out.”

“Let’s see...”

“This one seems like it’s more stimulating...”

<He turns another vibrator on and dons an impressed face>

“Whoa...it really is lot more intense!”

“It’s stronger and it covers a lot more area than the previous one...”

“That’s why...if I press it firmly here...”

<He presses it on her clit directly>

“You’ll be forced to squirt...”

With her body still very sensitive from her previous orgasms, she immediately reacts and in the verge of climaxing. She bites her lower lip so as not to let her moans escape...

“Let me hear your moans louder, love...”

Yielding to his own desires, he kisses her lips in a rush of impatience. His insistent mouth parted her lips and his tongue immediately conquered her insides. At the same time he glides and swirls the smooth and glistening tip of the vibrator on top of her swelling clit, he licks her tongue and sucks on it, the combined sensations make her whole body limp...

“I want to tease you more...”

“Because I like seeing your cute sides...”

“I love you so much...”

A rippling tide of warmth is bubbling once again from her soaking wet flesh. The sensations start to blur and drown her consciousness. In haste, he presses the vibrator on her sopping wet hole and pokes her clit in an upward motion. Alas, the sensations come to a high crescendo, as the swift gradation of intensity shakes her body forcing her to cream herself...

“You came again...”

“I’m sure your insides are incredibly drenched and squelchy by now...”

“Let’s take off the eye mask.”

“Can you please look this way?”

<He gazes at her embarrassed and flushed face>

“Wow...even your ears are bright red...”

“So damn adorable...”

“I want to get inside you now”

<He struggles initially but gives in one deep thrust, instantly hitting her g-spot>

“Yes...it’s so slippery inside...”

“I just got in fully inside so it’s still so...”

“...very tight...”

“This feels so good, it’s unbearable...”

“I’ll move more...”

At times shallow, at times deep, he thrusts inside her depths stimulating the sensitive opening of her vagina and her cervical walls...

“I can see it clearly...”

“The parts where our bodies connect...”

“It’s so wet...so slimy...”

“The juices drip from your insides...”

“So hot and nasty...”

(She glances at their sexy bits and blushes furiously)

“Your embarrassed reactions are so cute...”

“If you keep on making a face like that, it’ll make me want to tease you more, you know?”

“But wait...is it possible that you’re doing it on purpose?”

“So you’re shaking your head...huh...”

“But somehow I feel like I’m not wrong...”

With the intent to tease her more, he grinds on to her, penetrating deeper inside while his pelvic bone rubs up against her clitoris...

“I want to make love to you all the time...”

“Because being connected to you makes me happy...”

(She covers her face and tells him she feels the same way)

“I’m glad...”

“Today too, I have a strong urge of not letting you go...”

“Even if we’ve spent the whole day together...”

“I wanted to keep you all to myself...cuz you’re mine...”

“Now and forever...”

“Right?”

(She blushes and nods sheepishly)

“Good girl...from now on...always...”

<His eyes turn livid and voice gets hoarse>

“Just a little bit more...”

“Let me enjoy how it feels to be deep in you...”

“So I can finally let it all out...”

“And c-cum...”

“...inside...”

After staring at her naked body once more, he licks his lips and began pounding her pussy wildly like a feral man. Each robust thrust sends raging tremors along her nerves, evoking memories of her earlier orgasms just a few moments ago...

He reaches out to her breasts and fondles them. His fingers run through her nipples multiple times, teasing the buds and eventually tweaking them, making her moan uncontrollably. The sensations from her nipples make her mind spin and she instantly tightens her grip on him, making him visibly more excited...

Breathing raggedly, he continues to savagely pump on her pussy as if the last thread of reason has been shredded to pieces. Finally, on the verge of climax, his stiffness and engorgement goes to a maximum, feeling everything within its path. Very soon, a hot pleasure boiling at the base of his cock rises up to his shaft and he ejaculates, hot white semen comes out spurting inside of her...

Catching his breath, all his tense muscles momentarily go weak as he look at his lover's face once more...

"I love you..."

"No, I love you more."

"Huh, how stubborn."

<He interrupts her speech with a deep kiss in the mouth>

"If you're insisting so much, then let's test it."

"I'm going to prove just how much I love you more..."

"Ah, but that expression you're making does make me feel like you really do love me too..."

"It's a reassuring look..."

"Also, it's a fact that you've entrusted your heart and body to me..."

"Not to mention...when I touch you..."

"Hehe...hey...don't make such a lonely face..."

"Your eyes show me a needy expression..."

"Did I leave you feeling unsatisfied?"

"Then, if you want *more*, tell me straight, okay?"

“I’ll give *it* to you as soon as you ask for it...”

<He kisses her again, nibbling her lips and sucking on them gently>

“I’m willing to satisfy your urges in any given way...”

“So please continue to want and need me...”

“Of course, not just for sex...”

“...but also for love and affection...”

“I’ll make sure to give them all to you, enough to make you depend on me for it...”
