

## Title: DEKIAI ~ Burning Devotion Underneath the White Coat ~

### Editorial Script 3: A Secret for Two

*Scenario:*

*The two ready themselves to consummate their love for each other. Nanase helps her undress and he follows suit...*

“Is it okay if I remove all of your clothing?”

“Since I’m the only one who can see you...”

“I would like to taste that silky smooth skin of yours once again...”

<Nanase stares at her>

“Seeing you like this...there’s just no way to control myself...”

<He mounts himself on top of her>

“I’m going to put a part of me inside of you...”

“Right *here*...”

<He presses his shaft on her slit and rubs her moistness delicately>

“Can I put it in?”

(She takes his hand, entwines their fingers and nods)

<He gently pushes his cock inside slowly as he struggles with her tightness>

“...so tight...”

“Does it hurt?”

(She doesn’t answer, yet she holds his hand tightly as she feels his manhood probe inside her)

“Ahhh...”

“You’re very tight but you are soaking wet...”

“It feels really good...”

<He puts two fingers on her lips>

“Take out your tongue...please.”

(She obeys)

“There you go...that’s a good girl...”

*He brandishes his tongue and licks hers. He sucks on it while trying to take it in-between his fingers as if it was his plaything. She moans at the new sensations she’s experiencing while her lower mouth swallows his cock whole...*

“Sweetheart...”

“Do you like it when I lick your ears?”

<He licks his way into her ear which renders her incapable of thought>

“You’re giving out interesting reactions...”

“So I thought you like it...”

*His mouth traces the shape and contours of her earlobes and leaves a trail of wet kisses that make her body tremble in anticipation. The tip of his tongue glides into the curved portions, then ever so gently moving inwards into the insides of her ear while letting out steamy hot breaths, melting her consciousness...*

“You’re clenching on me...”

<He whispers on her left ear>

“I know you're feeling good...”

“Do you want it more intense?”

*She felt her moisten flesh give way when he plunges into her. Deeply, deliciously. He gasps, struggling in her tightness yet this makes him even more excited, as she could feel him get bigger and stiffer than he was moments ago...*

“Your moans are so hot and cute...”

“I want to hear more of it...”

“Let me play with your nipples too...”

*<He takes one stiff bud into his mouth and sucks on it aggressively>*

“Your nipples are so erect...”

“They seem like they’re very angry getting hard like this...”

“I want more...”

“Let’s do it from behind...”

*(She gets on all fours, her thick little butt pointing towards his strong thighs)*

“I want to get to your deepest parts...”

“Are you ready for it?”

“I’ll penetrate you deeply this way...”

*<He uses his shaft to look for her craving hole>*

“Hmmm...”

“It’s here...right?”

“...the part where you’ll feel good the most...”

“I’m gonna rub it first...”

“And poke it little by little...”

“Which one feels better?”

*(She grinds her clit into his hard cock as an answer)*

“Fufu...”

“I understand...”

“Then I’ll stroke you a lot with *this*...”

*With each stroke. her body jerks in pleasure, her moans escape her, her fingers dig into the pillow covers...*

“Nnnnn...”

“You can hear these sounds, right?”

“When we connect like this...it makes a lewd noise...”

“Listen to that slopping sound...”

(She shakes her head)

“Why are you shaking your head?”

“Is it embarrassing?”

(Her face goes bright red as she whispers)

“I see...”

“But I feel so happy though...”

“Do you feel the same way?”

(She coyly nods)

“That makes me want you more...”

“I’ll make you feel really good...so much that it will blow your mind...”

“I’ll give it to you until you can barely move...”

*<He bends down and reaches for her lips>*

“I am in love with you...”

“The usual you...”

“And the you who is panting right here in my arms...”

“All these sides of you are beloved to me.”

*<He grinds on her dripping slit, poking his cock inside slowly>*

“Can you face me this way?”

“I would like to see your face...watch your reactions...”

“Revel in the fact that only I can see these expressions you’re making...”

“I’m never gonna let you go...”

*<He touches her face and makes her look his way once more for another kiss>*

“I’m going to give you more of my love...”

“Move closer...I’m gonna rub your clit while getting inside of you...”

“Oh damn...I can see how stiff your nipples are from here too...”

*<He embraces her as his hands glide to her hips>*

“Can I pull you closer?”

“Look, your clitoris is hard and swelling...”

“It’s making me go nuts...let me rub it again...”

*(She moans and drools due to the sensations)*

“Fufu...”

“So it feels good that you can’t even speak?”

“Then I’ll pleasure you until you cum...”

“I’ll continue playing with your clit like this...”

*<He attacks her clit while penetrating her insides>*

“Can you feel me inside you?”

“Do you feel good in there too?”

“If I thrust like this and rub your clit at the same time...”

“Will that make you cum again?”

*<He whispers on her right ear>*

“Let me know when you’re cumming...okay?”

“I want to hear you say it...”

“Say ‘I’m cumming!’...”

*<He flinches>*

“Oh damn...you’re gripping me real tight...”

“That felt really good...”

“Are you ready to cum now?”

“Then I’ll do it seriously...”

“Hold on to my arms, love...”

“C’mon, say it...”

*(Her neck flushed red as she moans in his ear)*

“Yes...that’s how I like it...”

“Then...”

*He riles her up, and plunges his cock in and out of her wet pussy. She takes his whole dick graciously, as her juices spurt out in one delicious orgasm...*

“You did well, darling.”

“Then I’ll give you a reward...”

*Wanting to make her cum once more, he took one deep breath and thrusts violently into her depths and hits her g-spot one more time*

“You came so much...”

*(She gives him a sultry look, mouth parted and slightly watery)*

“Man...that look...”

“Makes me so horny...”

“Just like this, I’ll move again...”

“You’re still good to go, right?”

*Without pulling out, he fucks her again, raggedly breathing through each savage thrusts. He grinds on to her as if servicing her, taking pleasure from her moans and obvious grunts. He whispers...*

“So hot...”

“Feels sooo fucking good...”

“I’ve always wanted to do this with you for so long...”

“It was so hard enduring by myself...”

“I know it’s bad to suddenly do this...”

*With his hot breath seducing her, her muscles went rigid once more, that he felt a stronger impulse to beat the insides of her pussy. A heightened sense of pleasure is welling up and soon going to burst...*

“I’m going to cum soon...”

(She asks him what he plans to do)

“Hmmm?”

“What do you mean?”

“I’ll cum inside you, of course...”

“Please take in all my cum...not one drop wasted.”

(She moans yet tries to protest)

“Don’t worry...I’m not the kind of man who wouldn’t take responsibility...”

“Besides...it is me who wants ALL of you...”

“There’s no chance I’ll take you for granted...”

“...and I’m sure this will satisfy you too...”

“Right?...”

*Wasting no time, he takes her mouth and his tongue quickly meets with hers, sucking it hastily, her saliva further building up his orgasm. Each thrust into her pussy rubs and envelops his manhood with warmth, helping the intensity to crank up to the maximum. He catches his breath while starting to feel a tingling sensation that pools in his groin and spreads along his spine. This makes him go wilder and ready to burst...*

“I’m letting it out...”

*His moves go faster, almost swaying in a fit of frenzy as he builds up more tension and lets it grow further, tensing his muscles really hard. He tries to prolong it, gratifying in every wave of slippery friction between her flesh and his own. As his breaths go uneven and more frayed, he releases all of his semen inside of her. The pulse and surges can be felt in a sliding scale of pleasure that makes his mind go blank...*

“Ahhh...”

*<He plants a kiss on her lips>*

“We finally have a secret only the two of us knows...”
