

Title: Secrets in the Rain

Editorial Script 4: An Indescribable Longing

Scenario:

The next morning, Iori happily greets her from the clinic's door as she walks inside the lobby. Obviously glad that she granted his request to come back, Iori invites her to a room with the intent to fulfill his promise the day before...

"Oh, you're here! Welcome!"

"Thank you for coming!"

"Please come this way."

<He smiles and leads her to one of the rooms>

"I'm really glad that you came."

"To be honest, I was a bit worried that you wouldn't show up."

"But thanks for being here."

"There's no one else here at the moment."

"It's just you and me..."

"That's why..."

"It's a good thing, right?"

"So yeah...you can change into this gown."

(She blushes and turns around)

"What about your underwear?"

"I'm pretty sure we don't need it..."

(She looks back and orders him around)

"It's embarrassing?"

“Okay, okay, I won’t peek.”

“And here I was thinking I should help you get changed.”

(She gets mad)

“Hehe!”

“Then please, hurry up and do it.”

(She asks him something while changing)

“What about other customers?”

“I told you, right?”

“I didn’t accept any reservations today, so there’s none.”

(She asks again, curious)

““Why, you ask?”

“I wonder...why do you think so?”

(She throws a towel at him)

“Wah!”

“Okay, fine! I’m sorry! Hehe.”

“Your reactions are interesting so I got carried away...”

“Whoa...your ears are bright red...”

“As I thought, how charming...”

(She asks)

“Hmmm?”

“No, it’s nothing.”

“Nothing to worry about.

“So, you’re all done, right?”

“Please, go ahead and lie down.”

“Ah, wait. Change of plans.”

“Kneel on all fours instead.”

(She does what she’s told but looks at him, confused)

“Stick you butt out.”

(She follows but asks)

“Fufu...”

“What am I going to do?”

“Well, just wait for it...”

“Let’s start.”

<He took an ample amount of lube and spread it on his hands>

“Hmmm?”

“Ah, this?”

“It’s just lube, though?”

(She gets surprised and panics)

“What am I going to do?”

“I’ll do this...”

<He liberally applies a generous amount of lube on her pussy>

“It’s better to have a lot of this so you won’t get hurt in any way.”

“Plus, it’s a form of massage as well. Just like what you were *expecting*...”

“I’ll help you loosen up...in the right places...”

<He gently inserts a finger in her wet hole>

“Oh, what do we have here?”

“It looks like you were already wet since a while ago...”

“Did I make you wait that long?”

“I shouldn’t make you wait any longer then.”

“But first, let’s enjoy one finger for now.”

<He puts in his middle finger and glides it in and out her pussy, teasing her from within>

“It’s so warm...”

“I can see your insides so well...”

“It’s twitching and squeezing my finger..”

(She huffs, trying to control her moans)

“Just like this...slowly...”

“We’ll loosen you up...”

<He gradually finger fucks her at a faster tempo, while feeling up her left buttock>

“Since you’re quiet...”

“That probably means we should put in another finger...”

“Let’s make it two, then.”

<He adds in his index finger and strokes her vaginal walls and taps it in a one-two rhythm>

“Let it out...your voice...”

“This feels good, right?”

(She breathes heavily and finally lets out her moans)

“Yes...that’s my girl...”

“Being true to yourself makes you cuter...”

<He feels her up inside and finally touches her g-spot, making her groan uncontrollably>

“Heh...”

“Whenever I hit this spot, you always clench your muscles and traps my fingers...”

“Do you like it here?”

“It looks like two fingers aren’t gonna satisfy you anymore...”

“Cuz look at you...”

“You’re body’s moving on its own...”

“Then, let’s give you a bigger one...”

<He pulls out his fingers and reaches for the vibrating dildo he prepared the night before>

“I’m sure this will fit in smoothly, since you’re sopping wet...”

“Let your pussy have a taste of it...as much as you like...”

<He slowly inserts the dildo in her wet crevice making her feel instantly full>

“A little too big?”

“But it looks like it’s okay...”

“Cuz it went all in...”

“But yeah, this toy is a little long and the girth is pretty thick...”

“Hold it in so it doesn’t fall off...”

<He turns the vibrator on and thrusts it in and out of her slit>

“Does it feel good? This kind of *massage*?”

(She moans and starts groping her right boob with her right hand)

“Should I push it deeper in you?”

“I’ll move it by hand then...”

Wanting to tease her more, he adds a slight pressure in thrusting the dildo back and forth her pussy. As the shaft and main body of the dildo spins and rotates inside of her, the rabbit ears tickle her clit each time it hits and grazes on it...

“You’re moving your pelvis on your own...”

“Do you want it rough?”

“Okay, then let’s make it stronger...”

<He adds more vibrating intensity just as he pushes the tip further to hit her g-spot>

“Whoa...your pussy’s sucking it whole...”

“If you clutch on it too tight, I won’t be able to move it well, you know...”

“Do you like it that much?”

“Then, I’ll touch this *one* for you...”

<He rubs her clit with two fingers in circular motions>

“If I play with your clit, will you cum right away?”

“If so...then I’ll give you multiple orgasms...”

He changes the vibrating patterns and intensities of the vibrator as he plunges it in rhythmically. The curved toy reaches her sweetest spot and hits it in succession, making her feel an indescribable itch to ejaculate...

“You’re body is trembling...”

“You’re voice is also almost hoarse...”

“Did you cum already?”

“How about we add one more?”

<He turns off the vibrator and reaches out for another toy>

“Fufu...”

“This one also has a surprise for your clit...”

“I’m sure it’ll drive you crazy...”

“Cuz you like it, right?”

“Feeling good like this...”

He turns the second toy on and inserts it in her pussy together with the first one. Her pussy gobbles both of them as it was already soaked with lube and cum...

“Stay in that position, okay?”

<He takes a step to her side to look at her face>

“What a lovely sight...”

“You look so agitated and delirious...”

“How erotic...”

“I like it...”

“Why are you closing your eyes?”

“Come on, look here...”

“Yeah, that’s good...”

“So damn adorable...”

Seeing her vulnerable look makes him yearn for her and he kisses her lips softly, gently sucking the drool coming out of her mouth...

“Hmmm...I got entranced and kissed you...”

“You’re bewitching...looking so defenseless like that...”

“Naked and getting fucked by toys...”

“How sly of you...”

<He shoves the toys in and out of her while her love juices continue to leak on the bed>

“And you don’t even know it yourself...”

(Her cum drips on the bed as her body twitches due to extreme stimulations)

“Or...do you?”

“Does being watched gets you excited?”

“Or do you get more turned on by being groped?”

“You’re here getting messed up with toys while your naked body’s being fondled...”

“And I’m here watching and enjoying how such a beautiful girl is being toyed with...”

“If you aren’t lewd yourself...”

“Then you should’ve stopped me in the first place...”

“I know...I know that you want more...”

“Does this arouse you?”

(She turns away and quivers)

“Lies...”

“You say that but your pussy’s creaming itself...”

“Sweetheart...you don’t have to endure...”

“Let it all out...you can even scream...”

“Let me hear you loud and clear...”

“Just like a while ago...”

“I already know that you came so much...”

“You were convulsing and loud, you know?”

As I thought, you knew, right?”

<He looks down at the bulk on his pants almost ready to burst>

“Ahh...do you think you want it now?”

“The *real thing*...”

“If you want *it*, you have to use your mouth and say the words...”

<He brandishes his cock and shows it to her>

“Look...tell me exactly *what you want me to do*...”

(She blushes and concedes)

“That’s it...well done.”
