

Title: His Honeyed Heart For You

Editorial Script 5: Behind The Mist

Scenario:

The young lady takes her sweet time cleaning herself up inside the hot and steamy bathroom. All of a sudden, a naked Tooru steps in...

“Excuse me, I’m coming in...”

<He closes the door>

(She shyly turns away upon seeing him)

“Oh, please, you don’t have to turn away.”

“I was thinking it’d be more time efficient if we took a bath together...”

“Though...that’s just an excuse.”

“The truth is, I really didn’t want to be away from you. It would be a waste even for just a second.”

“Is that a bad thing?”

(She pouts at him)

“I’m just teasing you?”

“Haha, it wasn’t my intention at all, you know?”

(She covers her body)

“There’s no need to be embarrassed, okay?”

“I took my glasses off so I won’t be able to see well, anyway.”

“So...”

“Let’s put these hands away, shall we?”

“I’ll wash them properly since I’m here.”

<He looks at her toiletries>

“Let’s see, where’s the body soap?”

(She points to it)

“Is it this one?”

“Yeah, why is the label printed in this corner? People won’t see it properly.”

(She looks at him a doubtful expression)

“How come I can see such small letters?”

<He smugly shrugs>

“Who knows?”

“I was just able to read it...somehow.”

<He lathers the soap into a sudsy foam>

“That’s nice. Look, whipping complete.”

“It’s pure white and fluffy. Aren’t I good at this?”

(She looks at him, puzzled)

“Why is there a need to create a foam?”

“Well, that’s because your skin is delicate and beautiful so I want to be very gentle while washing it.”

<He applies the creamy foam onto her skin>

“Hehe...”

“This almost looks like frosting a cake.”

“Hmmm...your arm is really slender...”

“And your fingers are too short compared to mine.”

“Let’s wash you shoulder...and underarm too...”

(She flinches at his touch)

“Is it ticklish?”

“Next is your waist.”

(She lets out a ticklish cry at his touch)

“Hey, don’t be too loud.”

<He washes her sides while watching her control her laughter>

“Trying so hard to endure?”

“Turn to this side.”

“I’ll wash your nape and your back.”

<He caresses her skin gently>

“Your skin is really smooth.”

(She lets out a small moan)

“Hmm?”

“Did you moan just now?”

(She shakes her head)

“Really, now?”

“Are you saying it’s the neighbor’s?”

“Well...it’s fine, whatever it was, it wasn’t that loud, anyway.”

“Let’s wash your butt.”

<He lets his hand slide on her behind>

“Whoa, it’s so smooth and supple.”

“And it’s also round and bouncy.”

“Haaaahhh...”

<He suddenly feels hot and excited>

“Oh no, I think I’ll need to step out a bit or else...”

“Ahhh...”

“What an erotic body...honestly...”

“I’m really sorry about this but...I’m at my limit...”

“I want to do it quick...”

“Hey...about *this spot*...”

“Can I slide my finger inside?”

(She turns beet red)

“No?”

“Because you’ll moan and disturb the neighbors?”

“Okay...”

“Then...I’ll behave myself if you let me wash it, at least.”

“As long as I don’t put anything inside, it’s okay, right?”

<He sits on the bathroom stool>

“I’ll sit so you should come here, facing my way.”

“Haaahhh...”

“I’ll touch you but...I swear I won’t put my finger inside...”

“I’ll wash it with my fingers...and slightly rub it the middle...*right here*...”

“Haaahhh...”

“It’s gotten quite slimy...”

“Nnnn...”

“I’m just stroking it but..it’s amazing how it’s already overflowing...”

“Haaahhh...”

“You keep denying it...but you’re moaning and breathless.”

“It makes me even more excited...”

“Can I lick this slimy part here?”

“Don’t worry, I won’t go inside...”

(Her legs start to shake)

“Is it hard to keep standing?”

“Then...”

“I think it’s better for you to sit here on the stool.”

<He support her as she sits down>

“Now, spread your legs apart...wider...”

“Don’t feel embarrassed. There’s nothing to be shy about.”

“Let’s try it just once. If you don’t like it, then we can stop right away.”

“Alright? Then I’ll kneel in front of you.”

(She timidly spreads her legs apart)

“That’s it...”

“Spread it slowly...”

<He sighs at the sight of her pussy>

“Haaahh...”

“You’re beautiful...”

“I’ll put my face really close, but don’t worry, okay?”

“I’m only going to lick it just a little.”

“I’ll just have a taste, so it’ll gonna end soon. Try not to make a sound.”

The tip of his tongue lands exactly on top of her clitoris, teasing it and nudging on it playfully. He then buries his nose on the thin thatch of hair just above her rose-colored slit, enjoying the eat out...

“Doesn’t it feel nice when your clitoris is being swirled around like this?”

As he talks in between eating up her pussy, his hot breath tickles her hole making it twitch and drool in response...

“So even if you’re covering your mouth, your moans still escape you, huh?”

“I wonder what kind of sound would come out if I suck hard on your swelling clit?”

“Just once...can I suck on it?”

“It’s okay, right?”

(She tries hard to say no)

“I can’t?”

“Don’t say it with a face like that.”

“You make is so obvious that you want me to do it...”

Smacking noises filled the bathroom as he licked and sucked on her clitoris fervently, just like a mad dog quenching its thirst. Unknowingly, the pleasure made her mouth slack as she groans and huffs, revealing a bright red tongue...

“Haaahhh...”

“A pretty loud moan came out...”

“Hahaha...”

“You look so into it, how cute...”

“Do you think somebody heard your moans when I was going down on you?”

“It’s embarrassing?”

“But it turns you on, right?”

(Her cheeks and ears are flushed)

“Why don’t we continue a bit more?”

“Doing embarrassing things?”

“Come here...”

<He presses her body on the wet bathroom wall>

“Can you stand like this?”

“Does it hurt if you lean back against the wall?”

“Damn...”

“This position is really dangerous...”

“At this rate, it’d be effortless to slip inside of you...”

“I’ll give it a go then...”

“Kuuhh...”

<He groans as he slides his cock inside of her tight crevice>

“It’s in...”

“Haaahhh...”

“Ahhh...”

“For a long time now...really...”

“I have always been in love with you.”

“I never thought a day like this would come...since I gave up too early...”

<He looks at her face lovingly>

“Can I kiss you while we’re like this?”

Unable to wait for her response, he kisses her lips as he wipes the tears slowly trickling down her eyes. Her throat swells with happiness as they gasp in between their kisses, basking in the glory of requited love...

“This is not a dream anymore...it’s all real...”

(She kisses him back)

“Yes...”

“Me too...”

“I love you...”

“I’ll move faster now, okay?”

“Haaahh...”

“Kuhh...”

“This is bad...”

“It feels so damn good...”

His lips meet hers once more, their tongues cling to each other as they both drink pools of nectar from each other’s mouths...

“It’s okay...the sounds...will get masked out...by the shower....”

“Your tongue...”

“Stick it out...”

<He sucks her tongue>

“Mmmm...”

“So sweet...”

“Nnnn...”

<He slurps on her tongue, guzzling down her hot fluids>

(She speaks in a small, shaking voice)

“Eh?”

“You want more kisses?”

“We’re already doing it but...I understand, it’s like it won’t ever be enough!”

Impassioned by her sudden demand, he kissed her torridly and guiltlessly. His movement became more forceful whenever he felt her clutching his girth, ramming his rock-hard manhood into her depths...

“Puhaaaah!”

“You’re making these...naughty noises...”

“It makes me horny the way it echoes too...”

“It’s driving me nuts...”

“Haaahhh...”

(She moans and clings on to him)

“Ohh...”

“Your legs are wobbling...”

“Did you cum again?”

“Is it hard for you to stay up like this?”

(She pants right through his ear in ecstasy)

“I see...I understand but...”

“I can’t stop just yet...”

<He steals her lips as he grinds on her, harder and rougher than before>

“Don’t be so hard on yourself...and cum again if your body wants to...”

“Aahhh...”

“So adorable...”

“Yes...let it all out...”

“...That voice...good girl...so amazing...”

<He starts to feel a nagging pressure from the shaft of his cock>

“Ahhh....oh my god...”

“Raise your legs and let me push it deeper into your womb——!”

In a split second, his orgasm bursts into one powerful release that eventually turned into lingering waves of pleasure...

“It’s coming...out——!”

Hot splashes of cum smeared and filled her womb, as his cock jerks up and downward. His mind wanders into a deep trance as her pussy wrings out the last drop of his semen, locking him in a grip, not letting go...

“We did it unprotected...”

“And I came inside of you...”

“I’m...really...really sorry!”

“I wasn’t able to think of your position as a woman...”

“And put you in a such troublesome position!”

“I have no words!”

<He cups her face and looks at her straight in the eyes>

“But worry not since I’ll take responsibility.”

“No matter what happens next, if you are alright with me, then please marr——”

“Ah...I’m sorry...I shouldn’t creep you out with a sudden proposal, right?”

(She smiles and holds his face)

“No, of course I’m serious, but...”

(She laughs and whispers something)

“Eh?!”

“You will accept it?”

“Yes, of course?”

“Ehhh...?!”

“THANK YOU!”

<He embraces her happily and turns off the tap>

“Oops sorry, I shouldn’t leave the hot water on...”
